STATEWIDE CURRENT SITUATION:

On March 22, Governor Abbott directed the Texas Division of Emergency Management (TDEM) to activate state emergency response resources ahead of critical wildfire conditions anticipated for the Panhandle and West Texas over the weekend and into the beginning of the week.

On March 13, Governor Abbott announced that the U.S. Small Business Administration (SBA) has approved his request for disaster declarations in Texas communities affected by wildfires in the Panhandle. Texas counties included in the declarations are Armstrong, Carson, Donley, Gray, Hansford, Hemphill, Hutchinson, Lipscomb, Moore, Potter, Randall, Roberts, Sherman, and Wheeler.

The SBA has granted access to its Home Disaster Loans, Business Physical Disaster Loans, and Economic Injury Disaster Loan (EIDL) program, which will provide low-interest loans to qualifying homeowners, renters, and businesses in affected communities following the Smokehouse Creek Fire and the Windy Deuce Fire.

SBA representatives will open two Disaster Loan Outreach Centers to explain the application process, assist with completing applications, and address questions about the disaster loan programs.

Starting March 14, a Disaster Loan Outreach Center will be located at the Hemphill County Courthouse at 400 Main St. in Canadian, TX 79014, which will be open from 9 a.m. – 6 p.m. Mondays through Saturdays.

Starting March 14, a Disaster Loan Outreach Center will be located at The Dome Civic Center & Convention Center at 1113 Bulldog Blvd. in Borger, TX 79007, which will be open weekdays from 8 a.m. – 5 p.m. and from 9 a.m. – 6 p.m. on Saturdays.

OPERATIONAL PRIORITIES:

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM): TDEM coordinated with Agriculture and Natural Resources, AgriLife, and various private sector partners to process donated fencing equipment for the Animal Supply Points in Region 1. TDEM alongside AgriLife contacted feed companies and big box retailers for donated resources designated for incident recovery.

TDEM Communications Coordination Group (CCG): Cisco Systems is providing networking equipment and Starlink high performance units at the Incident Command Post (ICP) in Amarillo. CCG is supporting internal and external communications requests through the deployment of Iridium satellite phones and hand-held land mobile radios (LMR). The National Emergency Management Response (NEMR) group has a communications platform deployed to the Borger Base Camp.

Texas A&M AgriLife Extension Service (AgriLife): AgriLife Liaison (LNO) coordinated with TDEM and Texas Department of Agriculture (TDA) to secure additional funding for hay and feed transport to the Panhandle Animal Supply Points. The LNO also made contact with agriculture industry partners to secure fencing and supply donations at the Texas Southwestern Cattle Raisers Association convention. DAR and Community Extension Agents (CEA) Strike Team personnel in Gray, Hemphill, Hutchinson, and Roberts counties will demobilize March 30, and the management of the Animal Supply Points will be turned over to the local CEAs for distribution of supplies, on April 1. Four DAR agents located in the North Region will continue to provide support to the CEAs as needed. AgriLife has two personnel working at the Pampa Animal Supply point, one person working at the Borger Animal Supply Point, and two personnel supporting the Miami satellite distribution site. The remaining personnel supporting the Canadian Animal Supply Point have been released. A total of 39 requests for AgriLife assistance have been received and were forwarded to AgriLife field representatives to contact the affected landowners.

AgriLife developed a Disaster Recovery Agents (DAR) publication *Returning Home After a Wildfire* hosted on the www.texashelp.tamu.edu website. A press release was made on [Recognizing Mental Health Challenges and Symptoms following Wildfires](#).

Texas A&M Forest Service (TAMFS): TAMFS will maintain their resources comprising of out-of-state and TAMFS equipment in Region 1.
