**STATEWIDE CURRENT SITUATION:** On April 9, Governor Abbott directed the Texas Division of Emergency Management (TDEM) to deploy additional state emergency response resources ahead of severe storms and flash flooding, including large hail and possible tornadoes, expected to move across Texas through Wednesday night.

According to the National Weather Service, severe thunderstorms and flash flooding are expected to impact the state through tomorrow night. The severe thunderstorm threat across Texas includes large hail, heavy rainfall, damaging wind, and possible tornadoes. Additionally, significant rainfall could cause serious flash flooding and river flooding in portions of the state through the end of the week.

Earlier this week, the Governor directed TDEM to mobilize state emergency response resources and increase the readiness level of the State Emergency Operations Center to Level II (Escalated Response) in preparation for this week's severe weather.

At the Governor's direction, TDEM has mobilized the following additional resources across the state to support local emergency response operations:

- **Texas A&M Engineering Extension Service (Texas A&M Task Force 1 and Texas Task Force 2):** Urban Search & Rescue Teams and Boat Squads
- **Texas A&M Forest Service:** All-Hazard Incident Management Teams and Saw Crews
- **Texas Parks and Wildlife Department:** Game Wardens, Park Police Officers, and Swiftwater Rescue Boat Squads

- **Texas Department of Public Safety:** Tactical Marine Unit and Helicopters with Hoist Capabilities
- **Texas Military Department:** Ground Transportation Platoons

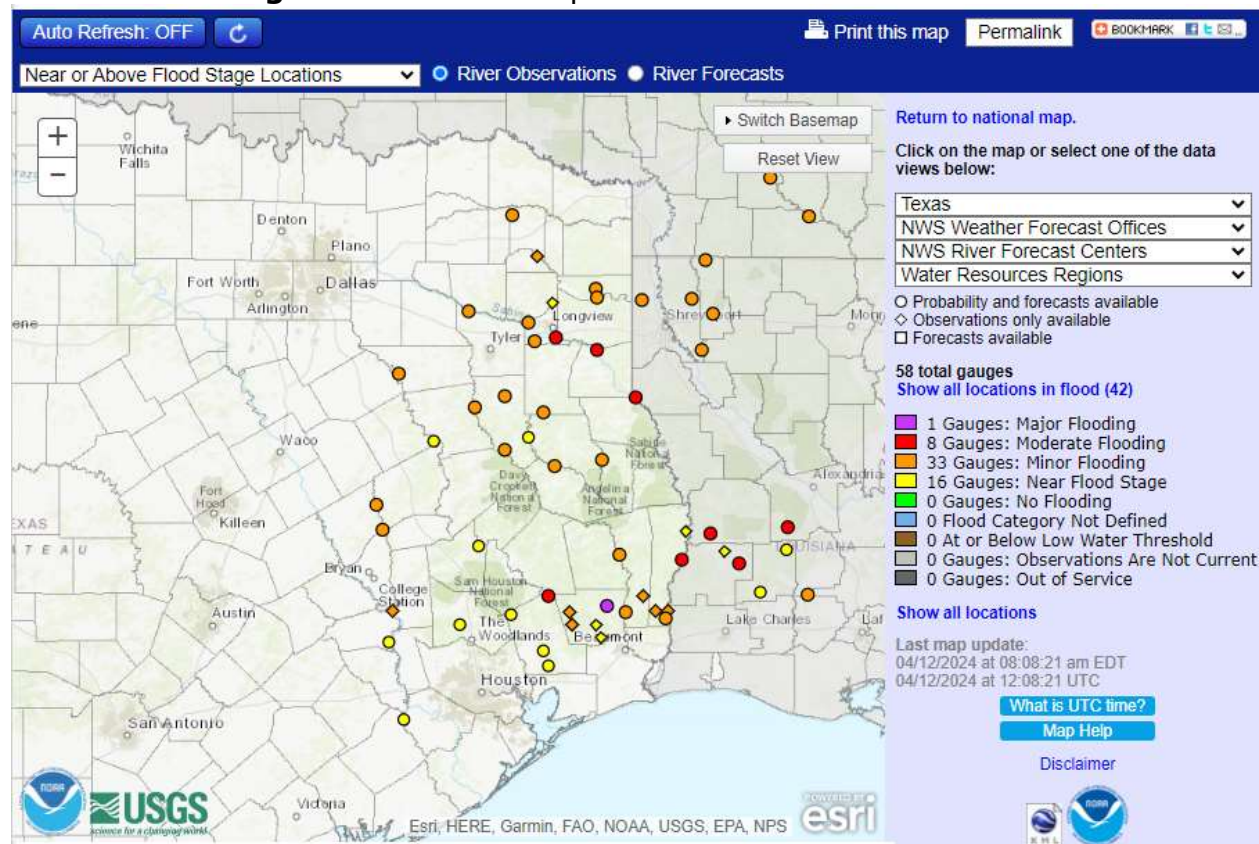

Over the weekend, TDEM mobilized the following emergency response resources across the state at Governor Abbott's direction to support local emergency response operations:

- **Texas A&M Forest Service:** Firefighters and fire engines; heavy equipment such as bulldozers and motor graders; Texas Intrastate Fire Mutual Aid System (TIFMAS) Strike Teams comprised of personnel and fire engines; Firefighting aircraft including large airtankers, multi-engine air tankers, single engine airtankers, aerial supervision modules and air attack platforms
- **Texas Division of Emergency Management:** Emergency response personnel to support requests for state assistance from local officials; Communications Coordination Group is engaging with telecommunications partners
- **Texas National Guard:** UH-60 Blackhawk helicopters
- **Texas Department of State Health Service (Texas Emergency Medical Task Force):** Wildland Fire Support Packages and Severe Weather Support Packages including paramedics and ambulances
- **Texas Department of Transportation:** Personnel and equipment to assist with road closures; motor graders to support emergency response operations
- **Texas Department of Public Safety:** Texas Highway Patrol Troopers to assist with road closures and traffic control
- **Texas Parks and Wildlife Department:** Game Wardens and Park Police Officers to provide law enforcement support
- **Texas A&M AgriLife Extension:** Disaster Assessment and Recovery Agents as well as AgriLife Extension Agents to support agricultural and livestock needs
- **Texas Animal Health Commission:** Personnel to provide livestock support
- **Texas Commission on Environmental Quality:** Air/water/wastewater monitoring
- **Public Utility Commission of Texas:** Personnel to coordinate with utility providers across the threat area

Texans are urged to monitor local forecast information and make an emergency plan. Additionally, people across the state are encouraged to follow instructions of local officials and keep an emergency supply kit nearby.

## **RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS**

**Texas Division of Emergency Management, Texas A&M University System (TDEM):** Incident Support Task Force (ISTF) has assigned three personnel to the SOC and are monitoring the current weather conditions.

**Texas A&M Engineering Extension Service (TEEX) / Texas A&M Public Works Response Team (TX-PWRT):** TX-PWRT has one Liaison Officer (LNO) assigned to the SOC to coordinate and support operations. Resource availability has been disseminated and the TX-PWRT LNO continues to monitor requests.

**Texas Military Department (TMD):** TMD has assigned six personnel to the SOC and activated Two Ground Transportation Platoons (GTP), with a total of 26 personnel, for severe weather response. [On 11 April, both GTPs moved to Jasper for incident support.](#)

**Texas Parks and Wildlife Department (TPWD):** Texas Game Warden Officers are prepared to respond and support rescue operations with statewide resources and has assigned two LNOs to the SOC. TPWD officers, boat rescue teams with swift water and shallow running boats, search and rescue (SAR) teams with 4x4 vehicles, a helicopter crew with one rescue swimmer, and one drone operator are available on standby. One resident was evacuated from her house by TPWD due to flood waters on April 9. TPWD Aviation assisted with a search and rescue operation in Newton County on April 10. [Other calls for service for aviation included being](#)

over watch for rescue boat crews as they evacuated individuals due to the severe flooding.

TPWD aviation was requested on 11 April by the Speaker of the House to help do a damage assessment flight. Local Game Wardens and SAR Teams stand by and are ready to support as needed.

**Texas Department of Transportation (TxDOT):** TxDOT is closely monitoring both fire and severe weather threats across the state, and the TxDOT LNO will be at SOC during the day and will operate virtually at night. Overnight TxDOT crews responded to multiple reports overnight to include flooding, accidents on major highways, assistance to law enforcement, diverting traffic from flooded roadways, and clearing debris from roadways. TxDOT will begin preliminary damage assessments as soon as floodwaters recede and as of April 10, 32 state-maintained roads were impacted by flooding, to include 21 road closures.

**Texas Department of State Health Services (DSHS) / Texas Emergency Medical Task Force (EMTF):** EMTF assets have been released. EMTF 4 & 6 are no longer at Awareness status due to clear weather conditions, with no anticipated changes until April 15. The severe Weather Package in Brazos County demobed as of April 11. SCO LNO & SCO will be operational today and will be released going forward from April 12 until further notice.

**American Red Cross (ARC):** The ARC has identified Disaster Relief Operations (DRO) team leadership and Mass Care Teams have prepositioned supplies with shelters on standby. ARC has conducted disaster assessments for an RV park on the outskirts of Waco that was under water. Twenty cases were reported, and all were assessed as major damage. All residents declined to go to a shelter. Preliminary Damage Assessments are being performed in affected areas that are accessible. Multiple areas needing DA are still inaccessible.

The ARC opened three shelters at the following locations.

Kirbyville, TX: Assembly of God Church, 101 W. Trout St. with 35 sheltered overnight as of the morning of April 11. Colmesneil, TX: Colmesneil High School, 610 W.
