**STATEWIDE CURRENT SITUATION:** On April 15, Governor Abbott issued a disaster declaration for the severe storms and flooding in East Texas, including Hardin, Jasper, Jefferson, Newton, Panola, Shelby, and Tyler Counties.

On April 9, Governor Abbott directed the Texas Division of Emergency Management (TDEM) to deploy additional state emergency response resources ahead of severe storms and flash flooding, including large hail and possible tornadoes, expected to move across Texas.

The Governor directed TDEM to mobilize state emergency response resources and increase the readiness level of the State Emergency Operations Center to Level II (Escalated Response) in preparation for severe weather.

At the Governor's direction, TDEM has mobilized the following additional resources across the state to support local emergency response operations:

- **Texas A&M Engineering Extension Service (Texas A&M Task Force 1 and Texas Task Force 2):** Urban Search & Rescue Teams and Boat Squads
- **Texas A&M Forest Service:** All-Hazard Incident Management Teams and Saw Crews
- **Texas Parks and Wildlife Department:** Game Wardens, Park Police Officers, and Swiftwater Rescue Boat Squads
- **Texas Department of Public Safety:** Tactical Marine Unit and Helicopters with Hoist Capabilities
- **Texas Military Department:** Ground Transportation Platoons

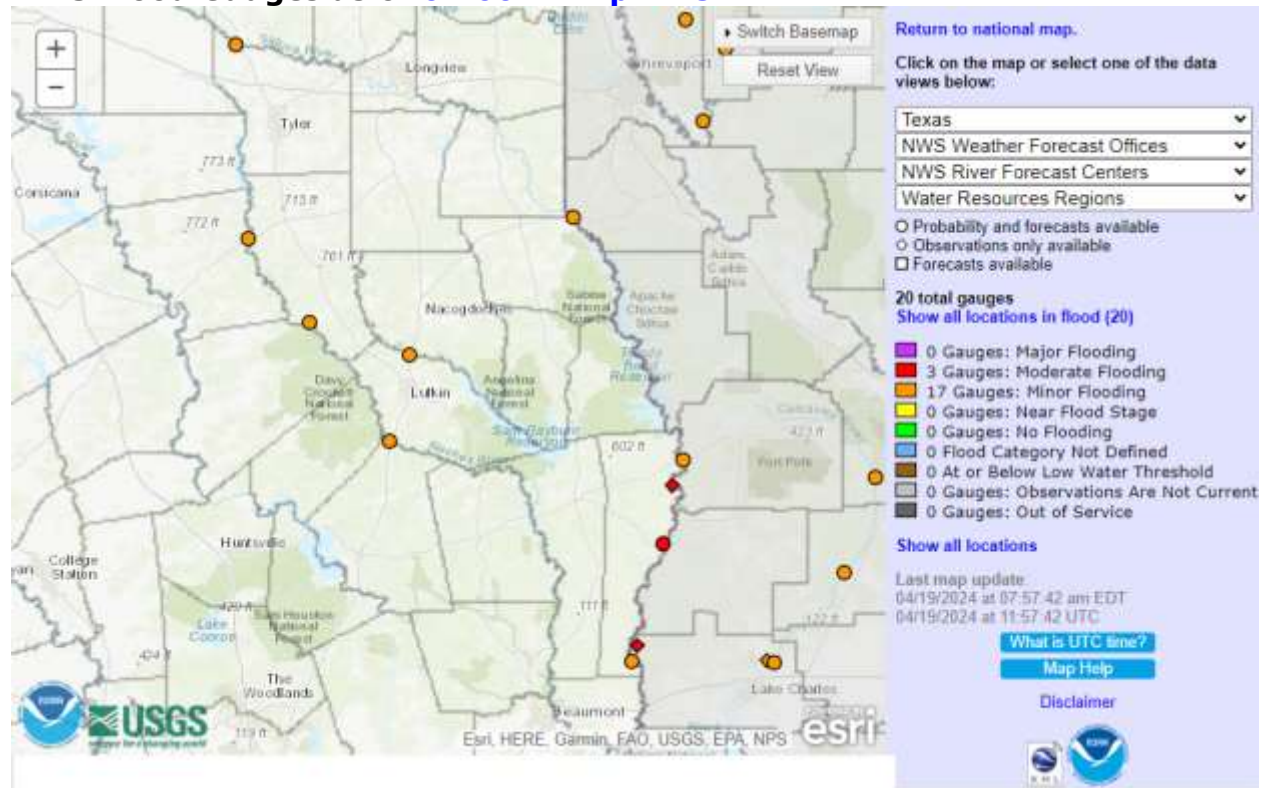

Over the weekend, TDEM mobilized the following emergency response resources across the state at Governor Abbott's direction to support local emergency response operations:

- **Texas A&M Forest Service:** Firefighters and fire engines; heavy equipment such as bulldozers and motor graders; Texas Intrastate Fire Mutual Aid System (TIFMAS) Strike Teams comprised of personnel and fire engines; Firefighting aircraft including large airtankers, multi-engine air tankers, single engine airtankers, aerial supervision modules and air attack platforms
- **Texas Division of Emergency Management:** Emergency response personnel to support requests for state assistance from local officials; Communications Coordination Group is engaging with telecommunications partners
- **Texas National Guard:** UH-60 Blackhawk helicopters
- **Texas Department of State Health Service (Texas Emergency Medical Task Force):** Wildland Fire Support Packages and Severe Weather Support Packages including paramedics and ambulances
- **Texas Department of Transportation:** Personnel and equipment to assist with road closures; motor graders to support emergency response operations
- **Texas Department of Public Safety:** Texas Highway Patrol Troopers to assist with road closures and traffic control
- **Texas Parks and Wildlife Department:** Game Wardens and Park Police Officers to provide law enforcement support
- **Texas A&M AgriLife Extension:** Disaster Assessment and Recovery Agents as well as AgriLife Extension Agents to support agricultural and livestock needs
- **Texas Animal Health Commission:** Personnel to provide livestock support
- **Texas Commission on Environmental Quality:** Air/water/wastewater monitoring
- **Public Utility Commission of Texas:** Personnel to coordinate with utility providers across the threat area.

**OPERATIONAL PRIORITIES:**

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.
