STATEWIDE CURRENT SITUATION: On July 12, Governor Greg Abbott today announced that he directed the TDEM to request that five additional counties — Burnet, Llano, Mason, McCulloch, and Tom Green — be added to President Donald J. Trump's Major Disaster Declaration following the recent catastrophic flooding that impacted communities across Texas.

On July 11, Governor Greg Abbott and First Lady Cecilia Abbott today joined President Donald J. Trump and First Lady Melania Trump during a visit to Kerr County to meet with Texas families and first responders regarding the recent severe flooding and heavy rainfall that devastated communities across Texas.

On July 11, Governor Abbott announced that the federal government has updated the Presidential Disaster Declaration following recent flooding in Texas to include Burnet, Kerr, San Saba, Tom Green, Travis, and Williamson counties now eligible for the Federal Emergency Management Agency (FEMA) Individual Assistance program. Kendall, Kerr, Kimble, Menard, and San Saba counties were also approved for FEMA's Public Assistance program.

On July 10, Governor Abbott directed TDEM to request additional counties be added to President Donald J. Trump's Major Disaster Declaration for recent catastrophic flooding that began impacting the state last week. Five counties – Burnet, San Saba, Tom Green, Travis, and Williamson – are requested to be eligible for Federal Emergency Management Agency (FEMA) Individual Assistance programs, and four counties – Kendall, Kimble, Menard, and San Saba – are requested to be eligible for FEMA's

Public Assistance Program.

OPERATIONAL PRIORITIES:

- Protect life and property.
- Support rapid & effective response.

Damage assessments are ongoing and multiple state agency Critical Incident Stress Management (CISM) Teams are on site. Discussions are on-going regarding Debris Management and establishing temporary debris sites.

Comal County:

In Comal County evacuations were conducted along river road, below the Canyon Lake Dam. Heavy rains forced evacuations of lower-lying homes along the Guadalupe River, but residents have been allowed to return home.

Kendall County:

iSTAT surveys have been completed in Kendall County.

Kerr County:

A family reunification center is located at Trinity Baptist Church on 800 Jackson Road in Kerr Co. The American Red Cross has a shelter located at Calvary Baptist Church on 113 Methodist Encampment Road in Kerr Co. and a medical is located at Kerr Co. First United Methodist Church on 321 Thompson Drive in Kerr Co.

Region 7 (Includes DDs 8, 9, and 10)

DD 10 – (Includes Coke, Concho, Irion, Edwards, Crockett, Kimble, Mason, McCulloch, Menard, Reagan, Schleicher, Sterling, Sutton, and Tom Green Counties)

On July 4, DDEOC 10 activated to Level III.

Region 8 (Includes DDs 11, 12, 13, and 23)

DD 12 – Austin (Includes Bastrop, Blanco, Burnet, Caldwell, Fayette, Hays, Lee, Llano, Travis, and Williamson Counties):

On July 5, DDEOC 12 activated to Level III.

Near historic rainfall impacted Travis, Burnet, and Williamson Counties during the night and first responders conducted dozens of water rescues.

Burnet County:

Crews from Travis County extended their response into Burnet County, where they coordinated with local responders, Texas Parks and Wildlife Department, Texas Task Force, and Texas Department of Public Safety boats to rescue dozens of people in Burnet, Marble Falls, and other areas of the county. Texas Task Force 2 (TX-TF2) assisted with an area wide search in Burnet County on July 7.

Travis County:

Rainfall started in Travis County with water rescues reported early in the morning hours. Emergency Services Districts (ESDs) and Austin units managed the rescues. The city of Austin requested boat squads at approximately 3:00 AM due to neighborhoods being impacted by fast moving water. Travis County aviation assets worked directly with the SOC to dispatch local and state aircraft to assist TX-TF throughout the day.

Williamson County:

Texas Intrastate Fire Mutual Aid System (TIFMAS), Emergency Medical Task Force (EMTF), and Texas Division of Emergency Management will begin conducting Individual State of Texas Assessment Tool/Public State of Texas Assessment Tool (iSTAT/pSTAT) surveys in Williamson County.

DD 23 – Killeen (Includes Bell, Coryell, Hamilton, Lampasas, Milam, Mills, and San Saba Counties):

On July 13, DDEOC 23 activated to Level III.

Hamilton County:

Hamilton County Sheriff requested assistance from the Oklahoma Task Force Boat Squad for a missing female on the Leon River.

San Saba County:

On July 13, an evacuation order was issued in the City of San Saba for those living south of San Saba River, east of HWY 16 (High Street) and north of HWY 190 (Wallace Street).

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management (TDEM): Communications Coordination Group (CCG):

As of July 12, T-Mobile has activated its T-Satellite service in the impacted area, which will allow text via messaging via satellite if there is no cell service. Amateur Radio operations supporting Kendall County search operations have concluded, and all Radio Operators have all safely returned home.

The Texas Department of Public Safety's Office of the Statewide Interoperable Communications (SWIC) has supplied a COML (Communications Unit Leaders), Communications Technician (COMT), and additional personnel for communications coordination support to the IMT. Amateur Radio services have activated local nets, providing backup emergency communication and localized reports. Six Amateur Radio operators are being embedded in search teams conducting operations in Kerr County. Volunteers are from Bexar, Lee, Travis, and Williamson Counties. Federal partners are monitoring and ready to assist upon request. Finally, the Texas Telecommunicator Emergency Response Taskforce (TXTERT) has provided two call takers and two dispatchers to support the Kerrville Police Department.

Incident Support Task Force (ISTF):

ISTF members have been deployed to TDEM Region 5. ISTF Regional Volunteer Agency Liaison (VAL) team is supporting community response and identifying key recovery needs, such as food access, debris removal, and muck-outs. There have been 1,300 requests for Volunteer Organizations Active in Disasters (VOAD) cleanup assistance have been submitted through iSTAT.

Region 7: San Angelo Area Foundation

Texas A&M AgriLife Extension Service (AgriLife):

One Disaster Assessment and Recovery (DAR) Area Chief is reporting to the IMT on behalf of AgriLife Extension Service and ESF 11. There are [four](#) DAR agents who are assisting the Type 3 VET Team in Kerr County, supporting 33 Human Remains Detection (HRD) canines. A total of 107 canine exams for foot injuries, muscle soreness, and fatigue have been performed. Preliminary coordination with TCEQ for logistics on carcass disposal has been started. [There is one DAR specialist stationed in San Saba and will begin damage inspections tomorrow if there is no inclement weather.](#)

There are [five](#) DAR agents who are staged in Kerr County, with [one DAR Director enroute](#), [two](#) DAR specialist are responding to the Disaster Reunification Center (DRC), and three DAR logistics personnel are positioned at the Lancer TDEM Warehouse in San Antonio. The AgriLife DAR PIO has been sharing weather safety information via social media channels and is working with other state agency partners on message delivery.

Texas A&M Engineering Extension Service Public Works Response Team (PWRT):

On [July 13](#), PWRT Teams continued operations in Kerrville and San Angelo. In Kerrville, PWRT is conducting ongoing evaluations of public water systems, including water and wastewater systems, and lift stations. System damage is being assessed and identifying the resources for repairs. In San Angelo, pumping operations continue to [reduce standing water levels, and outflow areas continue to recede. Despite recent rainfall, discharge remains steady.](#) The weekend weather forecast is being monitored closely, and teams are prepared to disconnect discharge lines and relocate pumps to

higher ground if needed.

On July 11, PWRT maintains a team in Kerrville available to assist with public works infrastructure. PWRT team in San Angelo began pumping operations to remove standing water from a subdivision.

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1):

On July 13, TX-TF1 Swiftwater Rescue (SWR) squads prepared for flash flooding conditions overnight and early this morning. As flash flooding conditions began to occur, TX-TF1 repositioned SWR boat squads across the area of operations within TDEM Regions 6, 7, and 8. All resources maintain situational awareness of weather conditions and will halt Search and Rescue (SAR) operations as needed due to responder safety. Resources will continue searching along the Guadalupe River and Big Sandy Creek for missing people, marking debris piles for removal, monitoring the weather, and assisting with local requests. An EMAC Type 3 SWR boat squad and an EMAC (Human Remains Detection) HRD K9 arrived today. Additional resources are expected to arrive later today and tomorrow. The Texas A&M Veterinary Response Team continues taking great care of the canines deployed.

On July 12, TX-TF1 adjusted its (SWR) deployments due to potential flash flooding. They dispatched two State Swiftwater Rescue Squads and a Water Group Supervisor package to Lubbock, Childress, San Angelo, Abilene, Weatherford, and Midland. Concurrently, TDEM demobilized SWR Squads from Dallas, Fort Worth, and El Paso, returning them to their home stations, while activating one SWR Squad in Austin. TX-TF1 also relocated SWR squads from Amarillo and Childress to Wichita Falls and Brownwood, anticipating potential flash flooding in TDEM Regions 1 and 2. All available resources continued search operations along the Guadalupe River and Big Sandy Creek. Additional resources are slated for arrival today and into next week.

On July 11, resources will continue searching along the Guadalupe River and Big Sandy Creek looking for missing people, marking debris piles for removal, monitoring the weather, and assisting the local authority having jurisdictions. Additional resources are expected to arrive today to include one Emergency Management Assistance Compact (EMAC), Type 3 Water Capable SAR Team and one EMAC HRD K9 MRP. Direct Federal Assistance (DFA) HRD K9 teams have been requested to provide a rotation for the K9s. The Texas A&M Veterinary Response Team has been taking care of the 48 canines currently deployed.

Texas A&M Forest Service (TAMFS):

TAMFS has activated six All-Hazard Strike Teams, 14 Saw Teams, and three skid steers, and the mobile command post demobilized. There are three Liaison Officers (LNO's) at the SOC, one LNO and one Staging Area Manager (STAM) with the Incident Management Team (IMT). One PIO was assigned to San Angelo. TAMFS has sent six personnel to assist with logistics and coordination in Disaster District Emergency Operations (DDEOC) 10. The TAMFS Taskforce from Alice transported a Bearcat from

Laredo to Kerr County.

Five TIFMAS Strike Teams are assisting with SAR, and 9-1-1 Backfill in Kerrville. Two TIFMAS Strike Team are assigned to Leander. TAMFS has 339 personnel committed to this event.

Department of Information Resources (DIR):

DIR is monitoring the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified. The Texas.gov homepage banner has been updated to include flood recovery resources and a link to the Kerr County Flood Relief Fund.

Public Utility Commission of Texas (PUC):

As of July 12, the PUC reported no significant power outages. One Liaison Officer (LNO) remains assigned to the SOC and will support 24-hour operations if needed.

Texas Alcoholic Beverage Commission (TABC):

Twenty-three members of TABC's Special Response Team (SRT) will assist DPS and TPWD in checkpoint, search, and recovery operations. Fifteen SRT members and a victim services coordinator remain on standby and are ready to respond if needed. TABC is actively supporting the state's response to the severe weather event by supporting public safety and disaster recovery efforts.

TABC Special Response Team (SRT) responded to the Kerr Co. EOC to assist with public safety and disaster recovery operations.

Texas Commission on Environmental Quality (TCEQ):

On July 12, all boil water notices (BWN) being tracked by TCEQ for this event have been rescinded. TCEQ has authorized 10 temporary debris management sites with two located in Kerr County.

Texas Department of Agriculture (TDA):

TDA is staffing 12-hour shifts at the State Operations Center (SOC) to monitor unmet needs in the agricultural community. The free, confidential Agri-Stress Helpline offers 24/7 support via call or text for those experiencing stress or loss. Staffed by trained professionals, it serves the agriculture, forestry, and fishing sectors, providing support and referrals to local mental health resources. So far, it has helped over 285 Texans in 114 counties. Call or text 1-833-897-2474 for assistance.

TDA's Hay Hotline is open for those wishing to donate hay. Donors can register at <https://texasagriculture.gov/Home/Production-Agriculture/Hay-Hotline> and will be contacted if requests are received.

TDA's STAR (State of Texas Agriculture Relief) Fund is accepting applications from those who suffered agricultural losses due to the recent weather event. Funds may be

used for rebuilding fences, restoring operations, and other disaster-related costs. Applicants in counties included in the Texas Governor's disaster declaration have 90 days from the proclamation date to apply. The deadline is November 4, 2025, at 11:59 p.m. Apply at <https://texasagriculture.gov/Home/Production-Agriculture/Disaster-Assistance/STAR-Fund/Severe-Weather>.

Through the Emergency Food Assistance Program (TEFAP), TDA food bank contractors distribute USDA-donated food to emergency feeding organizations. Texans can access this food via on-site meals or take-home packages.

Texas Department of Public Safety (DPS):

Over 300 DPS personnel are actively working in coordination with local, state, and federal partners in search and recovery efforts, assisting at evacuation shelters, reunification centers, and providing security.

On July 13, The Tactical Marine Unit (TMU) is co-located with TX-TF2 and has one boat team remaining in Travis County on flood standby and another boat team deployed to Lampasas. There are two boat teams on standby if needed. The San Antonio District, the Texas Highway Patrol (THP) Highway Patrol Safety Operations (HSOC) Emerging Technology Patrol Unit personnel were deployed to Kerrville to provide support with interoperability mapping with a patrol unit location tool.

On July 12, DPS Aircraft Operations Division moved their helicopter and fixed-wing aircraft assets to San Antonio and unmanned aircraft are directly operating out of Kerr County.

The Criminal Investigation Division (CID) are teamed with SOG conducting recovery efforts. CID personnel are at the morgue assisting Rangers in identification efforts. CID Special Agents are also providing security for local and county officials, and at public meetings.

The Texas Rangers Division is assisting with the collection of DNA samples for transport by AOD to the University of North Texas - Denton for victim identification. Rangers are providing death notifications for identified victims.

The Aircraft Operations Division (AOD) are conducting aerial reconnaissance missions for damage assessments in the area as well as providing flights for officials. Fixed wing aircraft are transporting DNA samples to the University of North Texas - Denton for victim identification.

The Infrastructure Operations Division (IOD) deployed the Sam Houston Command Trailer to the Kerr County EOC. They are supporting local Kerr Co. PD and Kerr County SO with Communication personnel. A 106' radio tower was deployed to Center Point as a repeater to be used amongst search personnel and to communicate with the command trailer.

Information Technology (IT) is providing on-site tech support and integrations for critical Frontline systems: TXMAP, TAK, and aircraft video systems.

Intelligence and Counterterrorism (ICT) Division Analysts are collecting, analyzing, and sanitizing information on missing and deceased individuals. They are also assisting with mapping operational routes for DPS assets to enter the impacted area. ICT Communication operators are augmenting emergency call intake from Kerr Co. PD and Kerr County SO.

Victim Employee Support Services (VESS) assisted with death notifications and continue working with the affected families by providing psychological support. They have conducted several debriefings with emergency personnel in the operational area, and more are planned in the coming days.

Texas Department of State Health Services (DSHS)

DSHS continues its mortality surveillance operations. Southwest Texas Regional Advisory Council (STRAC) has deployed two Mortuary Enhanced Remains Cooling Systems to Kerrville. STRAC has deployed two additional morgue trailers to support fatality management operations in Boerne and Kerrville.

Costal Bend Regional Advisory Council (CBRAC) has deployed two morgue trailers to Kerr County, one is in Ingram, and one Kerrville. DSHS Public Health Region (PHR) 8 has deployed one morgue trailer and one Mortuary Enhanced Remains Cooling Systems (MERC) in Kerrville. The Texas Mass Fatality Response Team (TMORT) remain activated and have [three](#) members supporting fatality operations at Grimes Funeral Home.

DSHS is supporting a first responder vaccine clinic at the RELLIS Staging Area (RSA) with Hepatitis A and Tetanus, Diphtheria, Pertussis (TDAP) vaccine, [and will expand to the staging site at Canyon Lake High School. DSHS will also coordinate with PHR 8 and the Unified Command to conduct mobile vaccination clinics for first responders.](#) The total first responders vaccinated is 282 Tdap and 303 Hep A. [DSHS is coordinating with PHR 8, TDEM, and Peterson Health to support community vaccination clinics providing Hepatitis A and TDAP vaccines to the community. EMTF assisted the evacuation of a nursing home in San Saba. Capital Area Trauma Regional Advisory Council \(CATRAC\) Regional Medical Operations Center \(RMOC\) remobilized to coordinate on the evacuation and provide medical support in Round Mountain.](#)

Texas Department of Transportation (TxDOT):

As of July [13](#), TxDOT has [46](#) locations on state-maintained roads closed due to floodwater, and [11](#) roads closed due to damage.

Texas Emergency Medical Task Force (EMTF):

On July 12, EMTF deployed two additional Ambulance Strike Teams to assist with

responder rehabilitation for night operations. The total patient contacts are 3,716 encounters, 94 treated, 62 transported.

Texas Health and Human Services Commission (HHSC):

On July 10, HHSC disaster behavioral health staff embedded at Unified Command continue to coordinate and support the First Responder Assistance Center (FRAC) and Family Assistance Center (FAC). The Central Texas Flooding Emotional Support Line went live at 8:00 AM. Texans statewide can call 833-812-2480 to connect with support. FEMA granted funding for HHSC to operate the Other Needs Assistance (ONA) program. One HHSC staff member remains in place at the DRC in Kerrville.

Texas Military Department (TMD):

As of July 14, TMD has deployed 302 (33 EMAC) personnel, 55 Vehicles, 9 (4 EMAC) Aircraft in support of our State Partners. TMD has seven UH-60s staged in San Antonio, Marble Falls, and Kerrville and one CH-47 in Fredericksburg. There are eight Ground Transportation Platoons (GTPs) staged across [Dallas/Fort Worth as well as in Bexar, Kerr, Lampasas, and Williamson Counties](#), one Tactical Air Control Party (TAC-P) in Kerr County, an Air Operations Center and SOC Support Team in Austin. A Search and Extraction Team is in Leander and a Fatality Search and Recovery Team staged in San Antonio.

The State of Arkansas has provided four UH-60 Helicopter and 23 personnel staged in Austin. The State of North Dakota has provided eight pilots for the MQ-9 Drone. The State of Arizona has provided two Air National Guard Ground Control Station Maintenance (MQ-9) personnel.

In the last 24 hours, TMD flew recon missions and provided flights for 280 first responders. EMAC Aircraft provided flights for 31 first responders, five K9s, delivered 100 meals to Leander, and conducted eight damage assessments.

Texas Parks and Wildlife Department (TPWD):

[On July 13, Game Wardens responded to assist with the severe flooding in Sonora, Lomita, San Saba, Kempner, Brady, Lampasas, Eldorado, and Killeen. Little Lucy RV Park in Lampasas was evacuated due to rising water. Colorado Bend State Park is closed until Monday, and the surrounding State Parks are monitoring conditions. In Kerrville, Game Wardens continue to conduct recovery missions and are in collaboration with first responders.](#)

[Game Wardens issued 14 evacuation notifications for the town of Sonora in Sutton County. Game Wardens conducted UAS assessments of 13 dams in Sutton County, Dry Devil's River, and Fork Llano River. Additional Game Wardens will report to TX-TF2 in Leander on July 14 to support SAR operations. TPWD has performed a total of 33 rescues and 434 evacuations.](#)

On July 12, Game Wardens participated in multi-agency SAR operations in Cow Creek, Travis County. These agencies included Texas TX-TF2, TDEM, TMD, DPS, with national task force teams from Alabama, Florida, California, New York, and Wisconsin with five cadaver dogs assisted them.

There is one helicopter available in Austin and SAR boat teams, Unmanned Aircraft System (UAS) pilots, and All Terrain Vehicle (ATV) teams are actively engaged in SAR missions.

TFR QRF patrol had a positive hit on UAS detections systems in Kerr County and quickly contacted a father/daughter that launched the drone. Texas Game Wardens UAS pilots were able to educate them on the TFR and safety concerns. The father completed the TEEX UAS Survey that is required for UAS Pilots.

In Travis and Williamson Counties, Texas Game Wardens are actively engaged in search and recovery missions in the Sandy Creek area. They are collaborating with numerous agencies, including teams from Florida, Alabama, Wisconsin, California, and New York State Police, supported by five cadaver dogs.

Texas Department of Housing and Community Affairs (TDHCA):

TDHCA is actively supporting the state's response to the severe weather event by supporting its community action agency partners at the local level and coordinating resources with HUD at the federal level.

The following partners are collaborating with local officials to identify and assist impacted households with immediate food/gas/hotel needs.

- Tom Green County: Concho Valley Community Action Agency
- Kerr County: Community Council of South-Central Texas
- Guadalupe County: Community Council of South-Central Texas
- San Saba County: Hill Country Community Action Association

American Red Cross (ARC):

The ARC has provided mass fatality care services in Kerr County to families of the deceased and initiated Integrated Care Condolence Teams (ICCT) for Tom Green, Concho, McCulloch, Menard, Mason, San Saba, Burnet, Williamson, and Travis Counties. A shelter resident transition (SRT) has been initiated for shelter decompression in Kerr County. The ARC also expanded community outreach and care services. Mobile Community Outreach Teams (MCOT) were deployed in Tom Green County, while Individual Disaster Care (IDC) services were provided at the Multi-Agency Resource Center (MARC) in Burnet County.

Mobile Disaster Emergency Services (DES) are in Hunt, Kerrville, Tom Green, Burnet, San Saba, Williamson, and Comal Counties. Relationship Managers contacted all emergency management partners to provide updates and confirm new mission requests across 15 counties without activated EOCs.

Personnel are staffed for EOCs in the City of Kerrville, City of San Angelo, Travis County, and SOC. Partner organizations were mobilized to align resources, and outreach to elected officials has been consistent to ensure awareness and confidence in ARC's readiness. Finally, detailed damage assessments (DDA) were completed in Burnet, San Saba, Tom Green, Travis, and Williamson Counties, with all reports due by end of day July 12. The ARC has distributed 480 bottles of water, 200 Comfort Kits, 226 cots, and 270 blankets.

FINAL COMMENTS: The State Operations Center (SOC) is at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

Level I (Emergency Conditions)
Level II (Escalated Response Conditions)
Level III (Increased Readiness Conditions)
Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at:
