Updated: January 22, 2026

**A Winter Storm Watch is in effect for much of the region Friday afternoon through early Sunday morning, as a storm system rolls through. This raises the potential for all modes of wintry precipitation during this time frame. There remains uncertainty on exact timing and accumulations, through minor to moderate travel impacts are expected. Try to delay or avoid travel on these days if possible!**

**A dense fog advisory is in effect for portions of the Coastal Plains and Victoria Crossroads through 9AM this morning. Expect visibility below 1/4 mile at times. For marine areas expect visibility mainly between 1 and 3 miles in bays and nearshore waters. Use caution when driving this morning or navigation the bays and waters.**
