RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

TDEM is maintaining contact with their public university system partners. As of January 23, the Texas A&M University College of Dentistry in Dallas is scheduled for closure on Monday, January 26. Approximately 90 school districts impacted as of 7:00 AM today.

Communications Coordination Group (CCG):

CCG partners are monitoring the situation and continue to prepare resources to respond if necessary. Our partners across the public, private and volunteer sectors are assessing and adjusting their resources in accordance with the situation.

CCG partners have been notified and are assessing resource availability and deployment plans. Cellular Carriers have begun topping off generators in the event power is lost to cell sites and other telecommunications facilities.

Amateur Radio and emergency communications nets have been activated. There have been no reports of outages by Cellular Carriers, Public Safety Answering Points (PSAP), or Land Mobile Radio (LMR) providers.

Incident Support Task Force (ISTF):

TDEM ISTF ESF 5 & 6. The Local Shelter and Seasonal Relief Center Map is being updated continuously as local jurisdictions report site activations, openings, and readiness posture for the coming days.

Mass Care:

Mass Care is coordinating resources for [413 shelter sites](#), [320 warming centers](#), and [93 Emergency and General Population Shelters](#). [A total of 496 residents has been sheltered.](#)

Texas A&M Engineering Extension Service Texas AgriLife (AgriLife):

Two AgriLife SOC liaisons are monitoring weather conditions. SOC liaisons are overseeing livestock and pet sheltering questions and issues as they arise. Disaster Assessment and Recovery (DAR) Agents and County Extension Strike Team members are on standby. AgriLife Marketing and Communications has distributed preparedness information and educational resources to support county agents, specialists, and agency communications channels in preparation for the Winter Weather. AgriLife has provided updated information through the agency's social media channels as well as our county agent network to support local governments and constituents with preparedness education and resources.

DAR Public Information Officer (PIO) from the State Communications Council is providing updates on messaging, social media outreach, and other communications needs. Slide sets have been pushed out to State, Regional and District Extension Administration for situational awareness and 20 AgriLife Extension Service DDEOC representatives continue to monitor DDEOC activations across the state virtually.

DAR Specialists continue to receive reports of collapsed roofs on agricultural structures in North and Northeast Texas. DAR Specialists continue to follow up on reported agricultural structure damage.

Texas A&M Engineering Extension Service Texas Public Works Response Team (PWRT):

PWRT continues to support and coordinate operations from the SOC and DDEOC's, monitoring requests for service through WebEOC. Objectives include life safety briefings to teams in the field on Personal Protective Equipment (PPE).

PWRT is staffing the SOC with [two](#) liaisons. One liaison is staffing DDEOC-5 in Mount Pleasant, and one liaison is staffing DDEOC-13 at RELLIS. A STAR (State of Texas Assistance Request) request was submitted for generators at FEMA generator sites in Fort Worth and RELLIS. There are [six personnel](#) on site to work on the generators, [three](#) in Fort Worth and [three](#) in RELLIS. [One Water/Wastewater operator was deployed to Zavalla to help the city wastewater treatment plant.](#) A team of personnel leaders have begun to monitor and lead the generator operations; there are five at RELLIS and five at Ft. Worth. A GSA operator is also enroute to Fort Worth

Texas A&M Forest Service (TAMFS):

TAMFS continues to support search, rescue, and recovery efforts in the affected regions. TAMFS deployed nine Texas Intrastate Fire Mutual Aid System (TIFMAS) All-Hazard Strike Teams to assist with winter weather. A Saw Team has been identified for each region. Three motor graders with operators have been activated. In total, 251 personnel are currently committed to this event.

Texas Alcoholic Beverage Commission (TABC):

TABC has prepared departmental resources and personnel for the severe winter weather.

Texas Commission on Environmental Quality (TCEQ):

TCEQ has placed emergency management staff and emergency response hazmat contractors on heightened readiness for possible deployment to assist with any air/water/waste related issues including drinking water/wastewater issues and/or emergency response activities.

TCEQ sent notifications to Public Drinking Water Systems to provide reminders to operators on regulatory guidance, procedures, and preparedness steps to take in advance of approaching winter weather.

As of [January 27](#), TCEQ is tracking [64](#) drinking water systems are on a Boil Water Notice (BWN) serving a population of [39,574](#) and [eight](#) drinking water systems are non-operational with a population of [6,415](#).

Texas Department of Information Resources (DIR):

DIR is monitoring the situation using cybersecurity tooling and threat intelligence feeds. No cyber threats related to this weather event have been identified.

Texas Department of Public Safety (DPS):

The Texas Department of Public Safety issued a waiver allowing commercial truck drivers transporting goods like propane, groceries, and other essential products, to operate outside maximum driving hour requirements, helping to ensure the delivery and availability of critical resources to Texans throughout the state during this weather event. This waiver will be active for five days, and drivers will still be subject to all other commercial vehicle laws and regulations.

DPS is closely monitoring the winter weather event that is expected to impact multiple DPS Regions across the state. All seven Highway Patrol Regions have personnel ready to respond and will adjust their patrol and operational posture accordingly. DPS Regions have been in contact with their respective TDEM Disaster District Emergency Operations Centers and will provide personnel to staff DDEOC's as they increase their readiness level. DPS stands ready to respond to requests for assistance in response to the winter weather conditions. Personnel from the Texas Highway Patrol (THP) Chief's Office and the Commercial Vehicle Enforcement (CVE) from the Austin are providing 24hr staffing at the SOC.

The following DPS Offices in the Northwest Texas Region closed at 12:00PM on January 23: Armstrong, Bailey, Baylor, Briscoe, Carson, Castro, Childress, Clay, Collingsworth, Dallam, Deaf Smith, Donley, Floyd, Graham, Gray, Hale, Hall, Hansford, Hartley, Hemphill, Hockley, Hutchinson, Jack, Lamb, Lipscomb, Montague, Moore,

Ochiltree, Oldam, Parmer, Potter, Randall, Roberts, Sherman, Swisher, Terry, Wheeler, Wilbarger, Wichita, and Young counties.

THP personnel are providing staffing support at DDEOCs in Ft. Worth, Mount Pleasant, Tyler as well as the Trans Vista Command center in El Paso at the TxDOT location and at the Safety Operations Center for the North Texas Tollway Authority where Troopers assigned to the toll roads remain deployed.

Statewide. Troopers worked on more than 130 weather-related crashes on January 24-25 and continue to monitor roadway conditions and assess traffic impacts.

Statewide the number of vehicle accidents has decreased since Saturday. THP troopers have assisted TxDOT with de-icing and many of the THP districts have returned to normal operations.

Texas Department of State Health Services (DSHS):

Regional Health and Medical Operations Centers (RHMOs) and Regional Medical Operations Centers (RMOs) to continue to monitor weather and healthcare facility conditions.

DSHS Texas Emergency Medical Task Force (EMTF):

EMTF has 174 responders and 93 assets assigned to this incident.

Texas Health and Human Services Commission (HHSC):

HHSC began staffing the SOC in support of winter weather on January 22. HHSC staff will remain in the SOC for the duration of the incident. HHSC is actively monitoring the situation. Ice, water, and freight vendors are on standby to respond as needed.

Texas Education Agency (TEA):

TEA had 90 weather related closures for January 23 through January 26. As the weather and weather-related closures change, TEA will report this information to TDEM.

Texas Military Department (TMD):

TMD has six Winter Weather (WW) Mission Ready Packages (MRP), one Battalion Mission Command (BNMC), six Ground Support Units (GSU) HQs, six Ground Transportation Platoons (GTP), two Ground Support Unit Hybrids (GSU-H), one GSU Support Unit, and 10 Military District Coordinators (MDC) to assist stranded motorists and conduct welfare checks on selected motorways. The WW MRPs, GSU HQs, GTPs, GSU-Hs, and MDCs are staged in Hays, Hillsboro, Dallas, Gainesville, Bryan, Joaquin, Duncanville, Mt. Pleasant, Kerrville, Sonora, Lubbock, and Huntsville. Additionally, 10 MDCs are in Ft Worth, Mt. Pleasant, Kerrville, San Angelo, Lubbock, Bryan, Tyler, Kingswood, and Austin. The SOC Support Team supports the State Operations Center in Austin for the Winter Weather event. TMD has activated 395 personnel and 145 vehicles in support of 26-0003 20JAN Winter Weather 2026.

Texas Parks and Wildlife Department (TPWD):

TPWD has prepared department resources consisting of Texas Game Wardens and State Park Police Officers ready to support as needed in response to the severe winter weather threats throughout the State.

TPWD continues to work closely with TDEM and other state/federal partners through the State Operations Center to ensure TPWD resources and first responders are available should they be needed. TPWD personnel are continuously being advised of the current weather conditions and maintaining a state of readiness.

TPWD has assisted motorists, local law enforcement and fire departments in Baylor, Calhoun, Crockett, Edwards, Hardeman, [Henderson](#), Jones, [Limestone](#), Mitchell, Ochiltree, Palo Pinto, Panola, Sutton, Tom Green, and Williamson Counties.

Texas Department of Transportation (TxDOT):

TxDOT is staffing the State Operations Center during 24/7 activation.

TxDOT crews in all 25 districts are in winter weather response with pretreating operations. Once winter weather impacts start, crews will begin deicing operations. As of January 26, there are 4,336 state-maintained roads impacted by snow and ice and five state-maintained roads closed.

Public Utility Commission of Texas (PUC):

As of [January 27](#), PUC is tracking [27,500](#) power outages statewide. Oncor [has 2,500 outages](#), and SWEPCO [has 1,800 outages and is expected to complete the bulk of their remaining outages today](#). Deep East Texas EC [has 11,100 outages](#), and Rusk County EC [has 5,100 outages](#). [Total restoration is anticipated for this weekend](#).

Voluntary Organizations Active in Disasters (VOAD)**American Red Cross (ARC):**

ARC is receiving requests to open shelters, provide supplies (cots, blankets, snacks), and support warming centers and feeding plans. ARC has rostered shelter worker teams and they are on standby. ARC is supporting multiple EOCs across the state virtually and in-person. ARC operations across Texas remain steady, with [49 total shelters](#) supporting [384 clients](#) statewide and [31 shelters are standby](#) to open. The Gulf Coast Region has the largest sheltering population.

FINAL COMMENTS: The State Operations Center (SOC) is at Level III (Increased

Readiness Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

Level I	(Emergency Conditions)
Level II	(Escalated Response Conditions)
Level III	(Increased Readiness Conditions)
Level IV	(Normal Conditions)
