

Texas Division of Emergency Management State Situation Report

New Information is in Blue Text

Event Name	26-0026 27SEP Severe Weather
Date	October 2, 2026
Time	10:00 AM
Operational Period	8:00 AM October 1, 2026, to 8:00 AM October 2, 2026
Report Number	04
TDEM Regions Affected	1, 2, 3, 4, 5, 6, 7 & 8
Disaster Districts Activated	1, 2, 3, 4, 6, 7, 10, 11, 12, 18, 19, 20, 21, 22 & 23

STATEWIDE CURRENT SITUATION: State emergency response resources remain deployed to support local rain and flood response operations throughout impacted areas.

On September 28, Governor Greg Abbott held a severe weather briefing and press conference at the Texas State Emergency Operations Center (SOC) to provide an update on the state's preparations for increased heavy rainfall and flooding threats expected to impact large portions of Texas over the next several days. Governor Abbott also directed the Texas Division of Emergency Management (TDEM) to activate additional state emergency response resources. The SOC began 24/7 operations effective 7 AM Tuesday September 29.

OPERATIONAL PRIORITIES:

- Protect life and property.
- Support rapid & effective response.
- Collect and disseminate accurate incident information to improve decision-making.
- Accurately track incident costs associated with assigned resources for cost recovery.

Region 1 (Includes Disaster District (DD) 1, 2, and 7)

The Region 1 Region Emergency Operations Center (REOC) is activated to Level III (Increased Readiness Conditions).

As of September 29, weather related road closures are being reported in Castro, Lamb, and Parmer counties. The Regional Voluntary Agencies Liaison (VAL) is in contact with the local voluntary organizations active in disaster (VOAD) and Deaf Smith County officials about a community with a history of flooding and will continue to monitor the situation.

DD 1 – Amarillo (Includes Armstrong, Briscoe, Carson, Castro, Childress, Collingsworth, Dallam, Deaf Smith, Donley, Gray, Hall, Hansford, Hartley, Hemphill, Hutchinson, Lipscomb, Moore, Ochiltree, Oldham, Parmer, Potter, Randall, Roberts, Sherman, Swisher, and Wheeler Counties): As of September 30, DDEOC 1 maintains Level III (Increased Readiness Conditions).

DD 2 – Lubbock (Includes Bailey, Cochran, Crosby, Dickens, Floyd, Garza, Hale, Hockley, King, Lamb, Lubbock, Lynn, Motley, Terry, and Yoakum Counties): As of September 30, DDEOC 2 maintains Level III (Increased Readiness Conditions).

DD 7 – Abilene (Includes Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Kent, Knox, Mitchell, Nolan, Runnels, Scurry, Shackelford, Stephens, Stonewall, Taylor, and Throckmorton Counties): As of September 30, DDEOC 7 maintains Level III (Increased Readiness Conditions).

Region 2 (Includes DDs 3, 4, and 22)

DD 3 – Wichita Falls (Includes Archer, Baylor, Clay, Cottle, Foard, Hardeman, Jack, Wichita, Wilbarger, and Young Counties): As of September 30, DDEOC 3 maintains Level III (Increased Readiness Conditions).

DD 4 – Dallas/Ft. Worth (Includes Collin, Dallas, Denton, Ellis, Erath, Hood, Hunt, Johnson, Kaufman, Navarro, Palo Pinto, Parker, Rockwall, Somervell, Tarrant, and Wise Counties): As of September 30, DDEOC 4 maintains Level III (Increased Readiness Conditions).

DD 22 – Sherman (Includes Cooke, Fannin, and Grayson Counties): As of September 30, DDEOC 22 maintains Level III (Increased Readiness Conditions).

Region 3 (Includes DDs 5, 6, 14, and 15)

DD 6 – Tyler (Includes Anderson, Camp, Cherokee, Gregg, Harrison, Henderson, Marion, Panola, Rains, Rusk, Smith, Upshur, Van Zandt, and Wood Counties): DDEOC 6 activated to Level III (Increased Readiness Conditions) on October 1.

Region 5 (Includes DDs 19-21)

DD 19 – Laredo (Includes Jim Hogg, Starr, Webb, and Zapata, Counties): DDEOC 19 activated to Level III (Increased Readiness Conditions) on October 1.

DD 20 – Corpus Christi (Includes Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, Nueces, Refugio, and San Patricio Counties): DDEOC 20 activated to Level III (Increased Readiness Conditions) on October 1.

DD 21 – Weslaco (Includes Cameron, Hidalgo, and Willacy Counties): DDEOC 21 activated to Level III (Increased Readiness Conditions) on October 1.

Region 6 (Includes DDs 17, 18, and 24):

DD 18 – San Antonio (Includes Atascosa, Bandera, Bexar, Comal, Frio, Gillespie, Guadalupe, Karnes, Kendall, Kerr, McMullen, Medina, and Wilson Counties): DDEOC 18 activated to Level III (Increased Readiness Conditions) on September 30.

Bexar County: As of October 1, there are 25 low water crossings reported closed within the county.

Region 7 (Includes DDs 8, 9, and 10)

The Region 7 Region Emergency Operations Center (REOC) activated to Level III (Increased Readiness Conditions) in anticipation of the severe weather on September 28, 2026.

DD 8 – El Paso (Includes Brewster, Culberson, El Paso, Hudspeth, Jeff Davis, and Presidio Counties): As of October 1, DDEOC 8 maintains to Level IV (Normal Conditions).

DD 9 – Midland/Ft. Stockton (Includes Andrews, Borden, Crane, Dawson, Ector, Gaines, Glasscock, Howard, Loving, Martin, Midland, Pecos, Reeves, Terrell, Upton, Ward, and Winkler Counties): [On October 1, DDEOC 9 returned to Level IV \(Normal Conditions\).](#)

DD 10 – San Angelo (Includes Coke, Concho, Crockett, Edwards, Irion, Kimble, Mason, McCulloch, Menard, Reagan, Schleicher, Sterling, Sutton, and Tom Green Counties): As of September 30, DDEOC 10 maintains Level III (Increased Readiness Conditions).

Region 8 (Includes DDs 11, 12, 13, 23, and 25)

DD 11 – Waco (Includes Bosque, Falls, Freestone, Hill, Limestone, and McLennan Counties): As of October 1, DDEOC 11 maintains to Level III (Increased Readiness).

DD 12 – Austin (Includes Bastrop, Blanco, Burnet, Caldwell, Fayette, Hays, Lee, Llano, Travis, and Williamson Counties): As of October 1, DDEOC 12 maintains to Level III (Increased Readiness).

Burnet County: As of October 2, northern Burnet County has received approximately eight inches of rain over the past 24 hours. The Lower Colorado River Authority opened one flood gate at the Starke Dam shortly after 1:00 A.M.

DD 23 – Killeen (Includes Bell, Coryell, Hamilton, Lampasas, Milam, Mills, and San Saba Counties): As of October 1, DDEOC 23 maintains to Level III (Increased Readiness).

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

The State Operations Center (SOC) has activated to Level II (Escalated Response) in support of this severe weather incident. The SOC is directing interagency coordination to maintain unified communication, deploy necessary resources, and support response operations in affected regions across Texas.

Communications Coordination Group (CCG):

CCG and ESF 2 partners are coordinating with public, private sector, and federal partners in preparation for the forecasted heavy rain event. Partners are identifying and pre-staging communications resources, including Land Mobile Radio (LMR), cellular, satellite communications (SATCOM), amateur radio, and command-and-control capabilities, along with supporting personnel and equipment. The Commission on Statewide Emergency Communications (CSEC) is coordinating with Public Safety Answering Points (PSAPs) and 9-1-1 dispatch centers to identify potential gaps or additional needs.

As of October 1, cellular partners have reported no major cellular outages. T-Mobile has deployed additional generators to West Texas and will continue to monitor the weather impacts.

ESF-5 Incident Support Task Force (ISTF):

The Incident Support Task Force is staffing the SOC and monitoring the incoming severe weather system and areas forecasted to be impacted for potential requests for state assistance. As of September 30, ISTF has identified 27 members available to deploy in support of the event.

ESF-6 Mass Care ISTF:

Monitoring continues for potential Mass Care activities during upcoming operational periods. A total of 26 shelters have been identified and are on standby throughout the

projected impact area. Of these, 25 will be managed by the American Red Cross, while one will be independently managed. Partner agencies remain on standby and prepared to provide support as community needs are identified and requests for assistance are received. Mass Care resources are staged and ready to support transportation and accountability/tracking operations, if requested, for this event.

As of September 29, there are no active shelters, feeding operations, or bulk distributions of emergency supplies.

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1):

As of September 30, TX-TF1 has activated 13 swift water rescue boat squads, six water group supervisors, two high profile vehicle (HPV) mission ready packages (MRP), and seven rescue swimmers assigned to the Texas Military Department (TMD) and the Texas Department of Public Safety (DPS) aircraft. TX-TF1 has a total of 155 personnel supporting this incident.

Texas A&M Engineering Extension Service Texas Task Force 2 (TEEX/TX-TF2):

At the request of TDEM, TX-TF2 has also activated a Type 3 water-capable Urban Search and Rescue (US&R) Task Force.

Overnight, a deployed boat squad assisted local officials in Sonora with a search and rescue operation, safely locating the missing individual.

Texas A&M Engineering Extension Service – Public Works Team (TX-PWRT):

TX-PWRT continues to support and coordinate operations and monitor for any request for assistance.

Texas A&M Forest Service (TAMFS):

The Texas A&M Forest Service has activated four Texas Intrastate Fire Mutual Aid System (TIFMAS) All Hazard Strike teams consisting of 74 personnel and 20 Engines in preparation for this severe weather event.

Texas Department of Public Safety (DPS)

DPS is monitoring storm impacts. Personnel and assets across the agency have been advised of the potential for severe weather and are ready to respond.

As of October 1, DPS has six hoist helicopters available. The Tactical Marine Unit has 11 units, including seven flood recovery boats, on standby in Burnet County, Georgetown, New Braunfels, and in the Rio Grande Valley. DPS Homeland Security and Infrastructure Operations Division has a command trailer and personnel on standby, available to respond as needed.

Texas Department of State Health Services (DSHS) (Texas Emergency Medical Task Force (EMTF)):

On September 27, the Department of State Health Services (DSHS) State Medical Operations Center (SMOC) activated to a Limited Activation in support of severe weather. [As of October 1, the DSHS Panhandle Regional Advisory County Regional Medical Operations Center \(RMOC\) has returned to Level IV \(Normal Operations\).](#) The RMOC will monitor healthcare facility statuses, needs, and coordinate resources.

As of September 29, the Texas Emergency Medical Task Force (EMTF) has assigned and pre-deployed personnel and six All Hazards (AH) Groups in anticipation of the severe weather.

Texas Commission on Environmental Quality (TCEQ):

[TCEQ has agency staff and emergency response hazmat contractors available to assist with air, water, and waste-related issues, including drinking water and wastewater concerns, as well as emergency response activities.](#)

Texas Health and Human Services Commission (HHSC):

HHSC is staffing the SOC in support of severe weather response operation as of September 29.

Texas Department of Transportation (TxDOT):

Crews will be patrolling roadways statewide throughout the week, monitoring flood-prone areas, and clearing drainage systems. Signs, message boards, and barricades are ready for deployment, if needed, to support road closures due to potential flooding. With incoming weather threats, motorists are encouraged to slow down and drive according to conditions. Messaging to the public includes reminders for motorists to check [DriveTexas.org](https://www.drive-texas.org) for the most current road and safety advisories. TxDOT is staffing the State Operations Center and closely monitoring all weather threats. Local crews statewide remain ready to respond and assist as needed.

As of September 29, TxDOT has reported one (Farm-to-Market) FM roadway in Parmer County closed due to flooding. Additionally, there are two state-maintained roads with patches of flood water in Castro and Lamb Counties.

Texas Parks and Wildlife Department (TPWD):

TPWD has prepared resources, including Texas Game Wardens and State Parks Police Officers equipped with swift water and shallow water boats, to support rescue operations in areas affected by severe weather. TPWD continues to coordinate with TDEM through the State Operations Center to ensure search and rescue (SAR) resources and first responders are available as needed. Personnel continue to monitor current weather conditions and maintain a state of readiness.

As of October 1, Post Oak State Park is closed to the public for public safety and remains day-use only. Cleburne State Park and Lake Whitney are closely monitoring heavy rainfall. The TPWD UAS Team assisted the Kerrville EOC with an inspection of the EOC building following a report of a possible roof leak caused by severe weather. TPWD was also requested by a local fire department in Val Verde County to assist with the recovery of an individual who was swept off the roadway using an airboat.

Texas Military Department (TMD):

On September 27, the Texas Military Department (TMD) activated and is supporting the State of Texas and state agency partners with the severe weather event.

As of [October 1](#), TMD has activated [five](#) Ground Transportation Platoons (GTPs), two General Support Unit Headquarters (GSUHQ) +, and one Battalion Mission Command (BNMC) with 1.5 Rotary Wing Medium (RWM) MRPs and one Rotary Wing Heavy (RWH) MRP with TX-TF1. TMD has [129](#) personnel, [41](#) vehicles, and four rotary wing aircraft committed to this event.

Texas Cyber Command (TCC):

Texas Cyber Command is monitoring the situation and stands ready to support the state's response efforts. No cyber threats related to this event have been identified.

Volunteer Organizations Active in Disasters (VOAD)

American Red Cross (ARC):

ARC is preparing for potential response operations by pre-staging supplies outside of the projected impact zones and identifying volunteers available to support sheltering, feeding, and damage assessment missions.

As of [October 1](#), [The ARC has identified 21 shelters and remains on standby](#). Staffing readiness for shelter operations, logistics, and damage assessments is being coordinated across affected areas. Shelter trailers are stocked and ready for deployment.

FINAL COMMENTS: The State Operations Center (SOC) is at Level II (Escalated Response Conditions). The Texas Division of Emergency Management (TDEM) continues to monitor the situation and will provide additional situation reports as needed.

The four levels of SOC activation are:

- Level I (Emergency Conditions)
- Level II (Escalated Response Conditions)
- Level III (Increased Readiness Conditions)
- Level IV (Normal Conditions)

This Situation Report can be found on the TDEM webpage at:
