RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

The State Operations Center (SOC) has activated to Level II (Escalated Response) in support of this severe weather incident. The SOC is directing interagency coordination to maintain unified communication, deploy necessary resources, and support response operations in affected regions across Texas.

Communications Coordination Group (CCG):

On October 6, all CCG partners have returned to normal operations.

ESF-5 Incident Support Task Force (ISTF):

On October 3, ISTF staff demobilized from the SOC and there were no ISTF members deployed during this event.

ESF-6 Mass Care ISTF:

No requests for Mass Care services or coordination have been received at this time. Partner agencies remain on standby and are prepared to support identified community needs. Mass Care resources are staged and ready to support transportation, accountability, and tracking operations as requested.

Texas A&M Engineering Extension Service Texas Task Force 1 (TEEX/TX-TF1):

As of October 5, the remaining resources are located in TDEM Region 5. They continue to monitor conditions and remain available to respond as needed. No requests for service have been received within the past 24 hours.

Texas A&M Engineering Extension Service Texas Task Force 2 (TEEX/TX-TF2):

As of October 4, TX-TF2 US&R has been released.

Texas A&M Engineering Extension Service Texas Task Force 3 (TEEX/TX-TF3):

As of October 2, TX-TF3 activated a swift water rescue boat squad in the Rio Grande Valley.

Texas A&M Engineering Extension Service – Public Works Team (TX-PWRT):

TX-PWRT continues to support and coordinate operations and monitor for any request for assistance.

Texas A&M Forest Service (TAMFS):

The Texas A&M Forest Service has activated one Texas Intrastate Fire Mutual Aid System (TIFMAS) All Hazard Strike teams consisting of 20 personnel and 5 Engines in response to severe weather.

Texas Department of Public Safety (DPS)

DPS is monitoring storm impacts. Personnel and assets across the agency have been advised of the potential for severe weather and are ready to respond.

Texas Department of State Health Services (DSHS) (Texas Emergency Medical Task Force (EMTF)):

As of October 5, the Texas Emergency Medical Task Force (EMTF) continues to adjust prepositioned personnel and resources to align with current and potential threats in South Texas and along the Texas Gulf Coast. Currently deployed resources remain ready to support responder force protection, local evacuations, and local 9-1-1 systems.

On September 27, the Department of State Health Services (DSHS) State Medical Operations Center (SMOC) activated to a Limited Activation in support of severe weather.

Texas Commission on Environmental Quality (TCEQ):

TCEQ has agency staff and emergency response hazmat contractors available to assist with air, water, and waste-related issues, including drinking water and wastewater concerns, as well as emergency response activities.

Texas Department of Transportation (TxDOT):

Crews will be patrolling roadways statewide throughout the week, monitoring flood-prone areas, and clearing drainage systems. Signs, message boards, and barricades are ready for deployment, if needed, to support road closures due to potential flooding. With incoming weather threats, motorists are encouraged to slow down and drive according to conditions. Messaging to the public includes reminders for motorists to check [DriveTexas.org](https://www.drive-texas.org) for the most current road and safety advisories. Local crews statewide remain ready to respond and assist as needed.

Texas Parks and Wildlife Department (TPWD):

TPWD has prepared resources, including Texas Game Wardens and State Parks Police Officers equipped with swift water and shallow water boats, to support rescue operations in areas affected by severe weather. TPWD continues to coordinate with TDEM through the State Operations Center to ensure search and rescue (SAR) resources and first responders are available as needed. Personnel continue to monitor current weather conditions and maintain a state of readiness.

As of October 6, Post Oak State Park and South Llano River State Park are open to the public. The Devils River State Natural Area Del Norte and Dan Hughes Units are closed due to limited access and flooding. Damage assessments will be completed once the park is accessible. Texas Game Wardens have returned to normal operations and will continue to monitor current weather conditions and support as needed.

Texas Military Department (TMD):

The Texas Military Department (TMD) activated and is supporting the State of Texas and state agency partners with the severe weather event.

As of October 6, TMD has activated one Ground Transportation Platoons (GTPs), one Rotary Wing Medium (RWH) MRP with TX-TF1 and has activated its Air Operations Center (AOC) LNOs. TMD has 20 personnel, 5 vehicles, and one rotary wing aircraft committed to this event.

Texas Cyber Command (TCC):

Texas Cyber Command is monitoring the situation and stands ready to support the state's response efforts. No cyber threats related to this event have been identified.

Volunteer Organizations Active in Disasters (VOAD)

American Red Cross (ARC):

As of October 5, all standby shelter sites have been released. There were no shelter openings required and all shelter resources and personnel have been released. Situational awareness activities have returned to normal operating conditions
