RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas A&M AgriLife Extension Service (AgriLife): Texas A&M AgriLife Extension is leading an education effort to help with understand the CARES Act. AgriLife Extension will serve as an information conduit to ensure everyone who is eligible understands how to apply for federal relief funding. This educational initiative will focus on the following areas of relief: Treasury, Small Business, Homeland Security, Justice/Police, HUD, HHS, Health, Labor/Arts, Education, Agriculture, Food Programs, and Rural Development. The first training is available at AgriLife Learn (<https://agrilifelearn.tamu.edu/product?catalog=TAEX-001>).

Article about COVID19 relief for Ag Producers <https://agrilifetoday.tamu.edu/2020/04/21/covid-19-relief-for-farmers-ranchers/>. In the article, a briefing paper is referenced that has been developed by the Agricultural and Food Policy Center at Texas A&M University.

Thirteen disaster strike teams of Extension Agents have been activated to assist at the Panhandle, Coastal Bend, Border, CATRAC, SETRAC, STRAC, Piney Woods and NCTTRAC RAC's. Teams are collaborating with TEEX and the military to support distribution.

Pony Express Team members made the following deliveries/retrievals yesterday:

- 27 Pick-ups or deliveries of test specimen kits
- 17 Coolers picked-up from Labs
- 41 Coolers transported to Armory or TDEM Warehouse

Six DAR agents received specimens at armories/airports from 8 MTT and Nursing Home collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Two agents delivered samples to MD Anderson, UTSW and DSHS laboratories.

The Strike Team of ten personnel completed the data entry mission assignment with DSHS in Lubbock on Friday evening, June 12.

One Strike Team (3 total personnel) has been assigned to assist Fayette County EOC with Contact Tracing starting on June 1.

One Strike Team (17 total personnel) are activated to assist the USPHS with Community Based Testing in Dallas.

AgriLife Extension has begun a Food Drive for County Food Pantries across the state utilizing our volunteer network of 4-H Clubs, Family and Community Education Clubs and Master Volunteers.

Texas A&M Engineering Extension Service (TEEX): TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 distribution locations. TEEX currently has 54 personnel deployed to support ongoing response activities throughout the state in support of the COVID-19 response.

Current support includes:

- Two (2) personnel to the Remote State Operations Center (RSOC) in Austin to serve as a liaison TDEM SOC Operation Section and coordinate TEEX activities at RSA's (Armories)
- Two (2) personnel of TEEX senior leadership to augment State Operations Center and allow rotation time for TDEM senior leadership.

- Eight IST is ranging from 4 to 8 staff per location based on current workloads.
- Located RSA (Armory) within the Regional Advisory Council (RAC) areas to support the DSHS/ESF-8 distribution of medical commodities to local organizations.

Texas A&M Forest Service (TFS): TFS currently has 78 personnel committed to COVID-19 Response and is providing planning support, logistical support, and other functional areas as needed throughout the state. Texas Department of Licensing and Regulation (TDLR):

TDLR extended their agency's current work from home initiative through June 30, 2020. Division directors have begun developing plans for some employees (up to 25% of the workforce) to return to the office. As plans are finalized, some divisions may be allowed to have some employees return to the office earlier than June 30.

License renewal fees are waived that accrued between March 15 and June 15, 2020 for occupational licenses issued by TDLR. This waiver applies to licenses associated with a variety of occupations, such as barbers, cosmetologists, electricians, speech-language pathologists, and dyslexia therapists.

Licensees, particularly those in the medical and health professions, are reminded that they must continue to observe sanitary requirements. Anyone seeking guidance about whether to continue providing services should contact their local health departments or county judges, who are authorized to make that decision

The suspension of inspections related to TDLR elevators, boilers, and elimination of architectural barriers programs has been extended to June 30. Also, continuing education requirements are waived for all individual licenses expiring in March, April, May, and June 2020.

Professional Combative Sports may now return to Texas. TDLR will approve a limited number of events, depending on available staff resources. Promoters wanting to hold boxing/MMA events should contact the Combative Sports program to determine if a certain date is available.

On June 10, TDLR began a limited number of on-the-ground safety inspections and enforcement investigations. All agency employees will continue to observe practices that limit the spread of COVID-19.

Texas Department of Public Safety (DPS): THP continues to have a liaison at the State Operations Center currently assisting with "Pony Express" Rural COVID-19 Testing Sites by coordinating ground transportation of the collected samples for THP/CID to transport to the designated labs for processing.

DPS Aviation continues to respond daily to numerous requests for the statewide movement of supplies, test kits and collected samples in support of COVID-19 Air Bridge.

June 14, DPS Aviation made flights from Edinburg and El Paso. DPS Aviation made flights from El Paso, Edinburg and Austin transporting from numerous collection points. Since April 24, DPS Aviation has performed 258 flights, transported 1,076 coolers of samples and have 775 hours of flight time.
