On June 24, Governor Abbott announced that the Texas Division of Emergency Management (TDEM), in partnership with the Texas Military Department (TMD), will begin distributing 3-ply surgical masks to every Texan who undergoes COVID-19 testing at state-run mobile test collection sites. Beginning June 25, each Texan who receives a COVID-19 test at a state-run mobile testing site will be provided with four masks to take home with them. Texans can find a testing site near them by visiting TDEM's [COVID-19 Test Collection Site map](#).

On June 23, As COVID-19 cases rise in Texas, Governor Abbott has expanded the ability of mayors and county judges to impose restrictions on outdoor gatherings of over 100 people. Previously, this applied only to outdoor gatherings over 500 people. The Governor has also directed the Texas Health and Human Services Commission (HHSC) to enact emergency rules that provide strict health and safety standards and procedures related to COVID-19 for child care centers in Texas. These two actions are based on data showing an increase in COVID-19 transmission stemming from large gatherings and child care centers. [Read Governor Abbott's proclamation.](#)

On June 22, Governor Abbot provided an update on Texas' continued response to COVID-19. The Governor discussed several steps the state is taking to mitigate the spread of the virus in recent weeks—including increasing enforcement of health and safety regulations, rapidly increasing testing in hot spots, and working with hospitals throughout the state to ensure they have the ability to treat Texans who test positive for COVID-19.

The Governor urged Texans and Texas businesses to follow the Minimum Standard Health Protocols established by the Texas Department of State Health Services (DSHS) to mitigate the spread of COVID-19 as Texas continues to safely and strategically open the economy.

Texans should visit open.texas.gov to learn more about the Minimum Standard Health Protocols and how they can help the Lone Star State slow the spread of COVID-19.

On June 16, Governor Abbott and Executive Vice Chancellor for Health Affairs of the University of Texas (UT) System John Zerwas, MD, provided an update on Texas' hospital capacity. The Governor noted that despite an uptick in positive cases, there continues to be abundant hospital capacity.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State’s Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas A&M AgriLife Extension Service (AgriLife): Texas A&M AgriLife Extension is leading an education effort to help with understand the CARES Act. AgriLife Extension will serve as an information conduit to ensure everyone who is eligible understands how to apply for federal relief funding. This educational initiative will focus on the following areas of relief: Treasury, Small Business, Homeland Security, Justice/Police, HUD, HHS, Health, Labor/Arts, Education, Agriculture, Food Programs, and Rural Development. The first training is available at AgriLife Learn (<https://agrilifelearn.tamu.edu/product?catalog=TAEX-001>).

Article about COVID-19 relief for Ag Producers <https://agrilifetoday.tamu.edu/2020/04/21/covid-19-relief-for-farmers-ranchers/>. In the article, a briefing paper is referenced that has been developed by the Agricultural and Food Policy Center at Texas A&M University.

Thirteen disaster strike teams of Extension Agents have been activated to assist at the Panhandle, Coastal Bend, Border, CATRAC, SETRAC, STRAC, Piney Woods and NCTTRAC RACs. Teams are collaborating with TEEX and the military to support distribution.

Pony Express Team members made the following deliveries/retrievals yesterday:

- 610 bundles or pallets prepared at Armories
- 5 PPE deliveries to medical offices
- 9 PPE deliveries to Skilled Nursing Facilities
- 11 Deliveries of equipment
- 58 Pick-ups or deliveries of test specimen kits
- 3 Deliveries to MTT or QRF sites
- 20 Coolers picked-up from Labs
- 26 Coolers transported to Armory or TDEM Warehouse
- 7 Pallets moved from Armory to RAC or HPP

Nine DAR agents received specimens at armories/airports from 39 MTT and Nursing Home collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Four agents delivered samples to UTSW, UHS, MDA and DSHS laboratories.

AgriLife Extension Agents at County Extension Offices across the state will be receiving PPE shipments from the TDEM Warehouse and will coordinate/assist with distribution of PPE for 3,168 Child Care Providers next week.

Last week, approximately 90 AgriLife employees worked for 1,261 hours on contact tracing across the state.

Brazos County Extension Agents assisted the Brazos County Food Bank with delivery of 1 Q-kits to quarantined COVID-19 patients on June 22. Recipients are COVID-19 positive and must remain in their home, making them unable to get out and purchase groceries. The Brazos Valley Food Bank provided the kits which consisted of 5 boxes of dry goods, and various fruits and vegetables.

Texas A&M Engineering Extension Service (TEEX): TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 distribution locations. TEEX currently has 52 personnel deployed to support ongoing response activities throughout the state in support of the COVID-19 response.

Current support includes:

- Two (2) personnel to the Remote State Operations Center (RSOC) in Austin to serve as a liaison TDEM SOC Operation Section and coordinate TEEX activities at RSAs (Armories)
- Two (2) personnel of TEEX senior leadership to augment State Operations Center and allow rotation time for TDEM senior leadership.
- Eight (8) IST is ranging from 4 to 8 staff per location based on current workloads.
- Located RSA (Armory) within the Regional Advisory Councils (RAC) areas to support the Department of State Health Services (DHS)/ESF-8 distribution of medical commodities to local organizations.

Texas A&M Forest Service (TFS): TFS currently has 77 personnel committed to COVID-19 Response and is providing planning support, logistical support, and other functional areas as needed throughout the state. TFS resources are assisting the Texas Division of Emergency Management, Texas Department of State Health Services, and local jurisdictions. Assistance activities include Incident Action Plan development, Situation Reports, STAR Processing, Personal Protective Equipment hauling, logistical support for shipping and receiving materials, incident management support, and training, COVID-19 Contact Tracing support, and nursing facility testing support.

Texas Animal Health Commission (TAHC): The TAHC is activated to support the state response to the outbreak of COVID-19. While official guidance maintains that animals are of very low risk for contraction or transmission of COVID-19, the TAHC is working closely with animal response partners to manage consistent public information messaging for how to deal with animals in context of potential COVID-19 exposure. TAHC has activated virtually to the SOC.

Public Utilities Commission (PUC): PUC has created a link specific for COVID-19 on our public webpage. <http://www.puc.texas.gov/covid-19/>

Texas Commission on Environmental Quality (TCEQ): TCEQ has created a link specific for COVID-19 on our public webpage.
