On June 26, Governor Abbott issued an executive order limiting certain businesses and services as part of the state's effort to contain the spread of COVID-19. This decision comes as the number of people testing positive for COVID-19, the number of hospitalizations have increased, and the positivity rate in Texas increased above 10%, which the Governor previously stated would lead to further preventative action.

The order includes the following:

- All bars and similar establishments that receive more than 51% of their gross receipts from the sale of alcoholic beverages are required to close at 12:00 PM Friday June 26. These businesses may remain open for delivery and take-out, including for alcoholic beverages, as authorized by the Texas Alcoholic Beverage Commission.
- Restaurants may remain open for dine-in service, but at a capacity not to exceed 50% of total listed indoor occupancy, beginning Monday, June 29, 2020.
- Rafting and tubing businesses must close.
- Local governments, with certain exceptions, must approve outdoor gatherings of 100 or more people.

On June 26, Governor Abbott announced that the federal government has granted his request to extend operations of Community Based Testing Sites across Texas. The federal government will maintain support for the program while surging resources to Dallas and Houston in order to support testing needs within the community.

On June 25, the Texas Health and Human Services Commission enacted new emergency rules related to health and safety standards for child day care operations. These emergency rules include many of guidelines from the Open Texas Child Care Checklist.

The [Emergency Rules](#) are in accordance with the Guidance for Child Care Programs that Remain Open released by the Centers of Disease Control in addition to the requirements described below.

#### Caregiver Requirements:

- Ensure all caregivers have taken required health and safety training related to COVID-19 through the Texas A&M AgriLife Extension.
- Encourage all employees age 65 and older to talk to their health care provider to assess their risk and to determine if they should stay home.

#### Screening Requirements:

- Implement screening procedures that align with the CDC's most recent guidance.
- Conduct daily screening of anyone who enters the operation and denying entry only to those who fail the screening criteria.

#### Drop-off and Pick-up Procedures:

- Implement drop-off and pick-up procedures that limit possible exposure between families and child care staff, such as staggering drop-off and pick-up times.
- Complete pick-up and drop-off of children outside the operation, unless there is a legitimate need for the parent to enter.

Diapering Procedures. The emergency rules require you to follow current minimum standards related to diapering, and:

- Wash the child's and caregiver's hands before beginning.
- Wear gloves.
- Post diaper-changing procedures in all diaper-changing areas.

Soiled Clothing Requirements: The emergency rules require you to ensure all children and caregivers have multiple changes of clothing available in order to change any clothing with secretions on it. If clothing becomes soiled with bodily secretions, you must:

- Place contaminated clothing in a sealed plastic bag to be sent home with the child or caregiver, or wash in a washing machine at the operation.
- Wash the child's and caregiver's hands.
- Not allow a child to wear another child's clothing.

#### Environmental Health:

- Adjust the HVAC system if possible, to allow fresh air to enter the operation.
- Limit machine washable cloth toys to one person at a time and launder toys before being used by another child.
- Post signs describing handwashing steps near sinks used for handwashing.

#### Food Preparation:

- Have a sink used exclusively for food preparation if your operation prepares food.
- Serve children individual meals and snacks. Family style meals may not be served.

On June 25, Governor Abbott announced that the State of Texas will pause any further phases to open Texas as the state responds to the recent increase in positive COVID-19 cases and hospitalizations. Businesses that are permitted to open under the previous phases can continue to operate at the designated occupancy levels and under the minimum standard health protocols provided by the Texas Department of State Health Services.

On June 25, Governor Abbott issued an Executive Order to ensure hospital bed availability for COVID-19 patients as Texas faces an increase in COVID-19 cases and hospitalizations. The Governor's order suspends elective surgeries at hospitals in Bexar, Dallas, Harris, and Travis counties. Under this order, the Governor directs all hospitals in these counties to postpone all surgeries and procedures that are not immediately, medically necessary to correct a serious medical condition or to preserve the life of a patient who without immediate performance of the surgery or procedure would be at risk for serious adverse medical consequences or death, as determined by the patient's physician. [Read the Governor's Executive Order](#)

On June 24, Governor Abbott announced that the Texas Division of Emergency Management (TDEM), in partnership with the Texas Military Department (TMD), will begin distributing 3-ply surgical masks to every Texan who undergoes COVID-19 testing at state-run mobile test collection sites. Beginning June 25, each Texan who receives a COVID-19 test at a state-run mobile testing site will be provided with four masks to take home with them. Texans can find a testing site near them by visiting TDEM's [COVID-19 Test Collection Site map](#).

On June 23, As COVID-19 cases rise in Texas, Governor Abbott has expanded the ability of mayors and county judges to impose restrictions on outdoor gatherings of over 100 people. Previously, this applied only to outdoor gatherings over 500 people. The Governor has also directed the Texas Health and Human Services Commission (HHSC) to enact emergency rules that provide strict health and safety standards and procedures related to COVID-19 for child care centers in Texas. These two actions are based on data showing an increase in COVID-19 transmission stemming from large gatherings and child care centers. [Read Governor Abbott's proclamation.](#)

On June 22, Governor Abbot provided an update on Texas' continued response to COVID-19. The Governor discussed several steps the state is taking to mitigate the spread of the virus in recent weeks—including increasing enforcement of health and safety regulations, rapidly increasing testing in hot spots, and working with hospitals throughout the state to ensure they have the ability to treat Texans who test positive for COVID-19.

The Governor urged Texans and Texas businesses to follow the [Minimum Standard Health Protocols](#) established by the Texas Department of State Health Services (DSHS) to mitigate the spread of COVID-19 as Texas continues to safely and strategically open the economy.

Texans should visit [open.texas.gov](http://open.texas.gov) to learn more about the Minimum Standard Health Protocols and how they can help the Lone Star State slow the spread of COVID-19.

On June 16, Governor Abbott and Executive Vice Chancellor for Health Affairs of the University of Texas (UT) System John Zerwas, MD, provided an update on Texas' hospital capacity. The Governor noted that despite an uptick in positive cases, there continues to be abundant hospital capacity.

Thirteen disaster strike teams of Extension Agents have been activated to assist at the Panhandle, Coastal Bend, Border, CATRAC, SETRAC, STRAC, Piney Woods and NCTTRAC RACs. Teams are collaborating with TEEEX and the military to support distribution.

Pony Express Team members made the following deliveries/retrievals yesterday:

- 632 bundles or pallets prepared at Armories
- 3 PPE deliveries to medical offices
- 113 PPE deliveries to Skilled Nursing Facilities
- 1 Delivery of equipment
- 87 Pick-ups or deliveries of test specimen kits
- 16 Deliveries to MTT or QRF sites
- 13 Coolers picked-up from Labs
- 45 Coolers transported to Armory or TDEM Warehouse
- 8 Pallets moved from Armory to RAC or HPP

Ten DAR agents received specimens at armories/airports from 41 MTT and Nursing Home collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Four agents delivered samples to BSW, UTSW, UHS, MDA and DSHS laboratories.

AgriLife Extension Agents at County Extension Offices across the state will be receiving PPE shipments from the TDEM Warehouse and will coordinate/assist with distribution of PPE for 3,168 Child Care Providers next week. Orders will be coordinated at RSA's by DAR agents and will be delivered to our twelve District Extension offices. Orders will then be distributed to County offices for distribution or pickup by Child Care Providers in the county.

On June 23 and 24, ten DAR agents distributed 9,196 COVID-19 Curative Tests to 30 Fire Departments across the state. These departments assisted with the Nursing Home testing mission and were provided tests for their staff.

Brazos County Extension Agents assisted the Brazos County Food Bank with delivery of 6 Q-kits to quarantined COVID-19 patients on June 25. Recipients are COVID-19 positive and must remain in their home, making them unable to get out and purchase groceries. The Brazos Valley Food Bank provided the kits which consisted of five boxes of dry goods, and various fruits and vegetables.

**Texas A&M Engineering Extension Service (TEEX):** TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 distribution locations. TEEX currently has 50 personnel deployed to support ongoing response activities throughout the state in support of the COVID-19 response.

Current support includes:

- Two (2) personnel to the Remote State Operations Center (RSOC) in Austin to serve as a liaison TDEM SOC Operation Section and coordinate TEEX activities at RSAs (Armories)
- Two (2) personnel of TEEX senior leadership to augment State Operations Center and allow rotation time for TDEM senior leadership.
- Eight (8) IST is ranging from 4 to 8 staff per location based on current workloads.
- Located RSA (Armory) within the Regional Advisory Councils (RAC) areas to support the Department of State Health Services (DHS)/ESF-8 distribution of medical commodities to local organizations.

**Texas A&M Forest Service (TFS):** TFS currently has 84 personnel committed to COVID-19 Response and is providing planning support, logistical support, and other functional areas as needed throughout the state. TFS resources are assisting the Texas Division of Emergency Management, Texas Department of State Health Services, and local jurisdictions. Assistance activities include Incident Action Plan development, Situation Reports, STAR Processing, Personal Protective Equipment hauling, logistical support for shipping and receiving materials, incident management support, and training, COVID-19 Contact Tracing support, and nursing facility testing support.

**Texas Animal Health Commission (TAHC):** The TAHC is activated to support the state response to the outbreak of COVID-19. While official guidance maintains that animals are of very low risk for contraction or transmission of COVID-19, the TAHC is working closely with animal response partners to manage consistent public information messaging for how to deal with animals in context of potential COVID-19 exposure. TAHC has activated virtually to the SOC.

**Public Utilities Commission (PUC):** PUC has created a link specific for COVID-19 on our public webpage. <http://www.puc.texas.gov/covid-19/>

**Texas Commission on Environmental Quality (TCEQ):** TCEQ has created a link specific for COVID-19 on our public webpage. <https://www.tceq.texas.gov/response/covid-19/tceq-preparedness-responsibilities-covid-19>

**Texas Department of Criminal Justice (TDCJ):**  
**Strike Team Status:**

- 12 Strike Teams consisting of 84 TDCJ staff from multiple divisions.
- 4 Strike Teams are currently on standby to support county mass testing efforts.

<b>TDCJ Command Center – Strike Team Statistics</b>			
	<b>Tests Completed</b>	<b>Testing Target</b>	<b>Percent</b>
Staff	28,841	25,544	113%
Offenders	107,793	106,081	102%
<b>Totals</b>	<b>136,634</b>	<b>131,625</b>	<b>104%</b>

**Texas Department of Licensing and Regulation (TDLR):**

TDLR extended their agency’s current work from home initiative through June 30, 2020. Division directors have begun developing plans for some employees (up to 25% of the workforce) to return to the office. As plans are finalized, some divisions may be allowed to have some employees return to the office earlier than June 30.

The suspension of inspections related to TDLR elevators, boilers, and elimination of architectural barriers programs has been extended to June 30. Also, continuing education requirements are waived for all individual licenses expiring in March, April, May, and June 2020.

Professional Combative Sports may now return to Texas. TDLR will approve a limited number of events, depending on available staff resources. Promoters wanting to hold boxing/MMA events should contact the Combative Sports program to determine if a certain date is available.

**Texas Department of Public Safety (DPS):** THP continues to have a liaison at the State Operations Center currently assisting with “Pony Express” Rural COVID-19 Testing Sites by coordinating ground transportation of the collected samples for THP/CID to transport to the designated labs for processing.

DPS Aviation continues to respond daily to numerous requests for the statewide movement of supplies, test kits and collected samples in support of COVID-19 Air Bridge.

Since April 24, DPS Aviation has performed 286 flights, transported 1,260 coolers of samples and have 865 hours of flight time.

**Texas Department of State Health Services (DSHS):**

State Medical Operations Center (SMOC) Activities:

- No Attestations were received from County Judges from June 15-22.
- A total of 1,330 LTC facilities have been tested by Rapid Assessment (RA) teams in response to the Governor’s orders to test all Nursing Home staff and residents.

Regional Activities:

- Regional EPI Emergency Response Teams have been conducting daily monitoring of PUM/PUI within the Region in collaboration with LHDs.
- Mobile test sites have opened throughout the regions and are operating one day testing by appointment only. Status of mobile test sites can be viewed [here](#).
- All RHMOCs are at Full Activation.
- All eight HPP Providers have activated Medical Operations Centers and are distributing PPE to healthcare entities in the region.
- A total of 1,644 facilities have registered to use the Battelle system. A total of 22,453 N95 masks have been processed to date.

DSHS Call Center Activities:

The Call Center has received 18,730 calls and 14,763 emails to date. Over the past 24 hours, the Call Center received a total of 258 calls and 237 emails. The Call Center is operational 7:00 AM – 8:00 PM every day of the week.

**Texas Emergency Medical Task Force (EMTF):** Texas Emergency Medical Task Force (EMTF) currently has all eight EMTF Regions Activated in support of the COVID-19 Response and continues to support the statewide testing initiative. EMTF is providing MISTs to the State Operations Center and within each region as part of a unified effort to provide mobile testing, test sample collection for all nursing homes, outbreak test sample collection missions in high risk settings (nursing homes, assisted living centers, large processing plants, etc.), testing site call center operations, and facilitating statewide laboratory capacity augmentation and result sharing platform.

June 25, TX-EMTF conducted 43 test collection team missions:

- 38 MTT Sites
- 5 QRF

EMTF currently has 35 Medical Incident Support Team (MIST) members activated supporting Mobile Test Collection Teams, Rapid Assessment – QRFs, TX EMTF State Coordinating Office (SCO) SOC LNO and NCTTRAC EMCC

**Texas Health and Human Services Commission (HHSC):** HHSC temporarily suspended non-essential visits to State Hospitals and State Supported Living Centers.

**Texas Military Department (TMD):** TMD currently has 3,536 personnel in support of the COVID-19 Response. Two TMD General Support Units are operating in support of testing sites in Kingsville and Houston. Eight TMD GSUs are staging in Dallas, San Antonio, Corpus Christi, Lubbock, Austin, Houston, El Paso, Weslaco and Tyler to implement the TDEM distribution plan to the RACs and have distributed 6,753 pallets. TMD MDCs are supporting DDCs in 2, 04A, 04B, 6, 7, 8, 12, 13, 14, 16A, 16C, 16D, 18B, 19, DDC 20 and 21 and DDC 24. TMD is assisting TDEM with warehouse distribution of PPE. TMD is supporting the North Texas Food Bank, the South Texas Food Bank, the East Texas Food bank, the Rio Grande Valley Food Bank, Harris County Food Bank, Tarrant County Food Bank, West Texas Food Bank and the El Paso Food Bank with distribution and have distributed more than 91.4 million pounds of food. TMD is supporting the State Operations Center. TMD Engineering Facility Assessment teams are actively evaluating alternate care medical facilities for COVID 19 patient overflow potential. TMD is supporting Community Based Testing site operations in Cameron, El Paso, Hidalgo, Tarrant, Fort Bend, Travis, Harris, Webb, Starr, Walker, Matagorda, Hood, Rusk, Bexar, Victoria, San Patricio, Webb, Dallas, Jones, Kaufman, Upshur, Brazoria, Polk, Bell, Williamson, Kendall and Presidio County. TMD has received more than 393,999 calls at the TMD COVID-19 call center, and assisted with testing 198,540 people. TMD is supporting the disinfection of nursing homes. TMD has disinfected a total 3,668,693 square feet. TMD is supporting TDEM Critical Information

Systems with data compilation and STAR repositioning. TDEM is supporting the Department of State Health Services by tracking PPE distribution to health care facilities.

**Texas Parks and Wildlife Department (TPWD):** TPWD is monitoring the COVID-19 situation closely and making agency adjustments based on the DSHS and CDC guidelines to ensure the health and safety of employees, volunteers, and the public visiting TPWD facilities.

Texas Game Wardens are continuing to assist with the “Pony Express” Rural COVID-19 Testing sites by providing ground transportation. [Since the start of “Pony Express” Texas Game Wardens have assisted with the delivery of samples from 582 testing sites from 227 counties.](#)

TPWD continues to have two representatives at the State Operations Center coordinating the transportation efforts related to the COVID-19 rural testing sites and acting as liaison officers between TPWD, TDEM and other Federal, State, and Local partners.

**Texas Wing - Civil Air Patrol (CAP):** Texas Wing CAP continues to use aircraft, on a nightly basis, flying samples to Austin from around the state for analysis. Ground teams continue to provide intake services for a USDA Farm Food Distribution POD in Greenville TX and site security in Harris County.

**Texas Workforce Commission (TWC):**

Unemployment Insurance:
