On June 30, Governor Abbott and the Texas Health and Human Services Commission (HHSC) announced \$9 million in federal funding for nursing facilities to implement infection control projects to protect residents and staff from the spread of COVID-19. Starting July 1, nursing facility providers in Texas are encouraged to submit applications to HHSC to receive this federal funding.

Approved providers will be eligible to receive funds for infection control resources, including:

- Thermometers and temperature scanning equipment for staff and residents
- Decontamination and disinfecting systems
- Plexiglass barriers or portable walls to ensure social distancing and droplet protection
- N95 fit-test equipment
- Microbe-resistant flooring and wall coverings

For more details on how to apply, visit the Texas HHS website. The deadline for applications is August 30.

HHSC is continuing to accept applications for communication technology in nursing facilities, which are eligible to receive up to \$3,000 per facility to purchase devices (e.g. iPads, tablets, webcams) and accessories (e.g. headphones, protective covers).

HHSC is allocating Civil Money Penalty (CMP) funds for this project as well as the infection control projects. The Centers for Medicare & Medicaid Services (CMS) imposes CMPs against Medicare- or Medicaid-certified nursing facilities found out of compliance with federal

requirements. CMP funds can be used for projects and activities that benefit nursing facility residents by improving their quality of care or quality of life. Currently, HHSC is only accepting and reviewing applications for projects related to addressing COVID-19, such as infection control practices and communication technology.

On June 30, Governor Abbott issued a proclamation suspending elective surgeries at hospitals in Cameron, Hidalgo, Nueces, and Webb counties to help ensure hospital bed availability for COVID-19 patients in these communities. This proclamation amends the Governor's previous Executive Order to include these four counties in addition to Bexar, Dallas, Harris, and Travis counties.

Under the Executive Order, the Governor directs all hospitals in these counties to postpone surgeries and procedures that are not immediately, medically necessary to correct a serious medical condition or to preserve the life of a patient who without immediate performance of the surgery or procedure would be at risk for serious adverse medical consequences or death, as determined by the patient's physician. Through proclamation, the Governor can add or subtract from the list of counties included in the Executive Order to address surges in hospitalizations that may arise in other parts of the state.

On June 29, Governor Greg Abbott announced that the Texas Health and Human Services Commission (HHSC) extended the application deadline for the federal Pandemic-Electronic Benefit Transfer program (P-EBT) to July 31. It is a one-time benefit of \$285 per eligible child for those who lost access to free or reduced-price school meals due to school closures.

On June 26, Governor Abbott issued an executive order limiting certain businesses and services as part of the state's effort to contain the spread of COVID-19. This decision comes as the number of people testing positive for COVID-19, the number of hospitalizations have increased, and the positivity rate in Texas increased above 10%.

On June 26, Governor Abbott announced that the federal government has granted his request to extend operations of Community Based Testing Sites across Texas.

On June 25, the Texas Health and Human Services Commission enacted new emergency rules related to health and safety standards for child day care operations. These emergency rules include many of the guidelines from the Open Texas Child Care Checklist.

On June 25, Governor Abbott announced that the State of Texas will pause any further phases to open Texas as the state responds to the recent increase in positive COVID-19 cases and hospitalizations.

On June 25, Governor Abbott issued an Executive Order to ensure hospital bed availability for COVID-19 patients as Texas faces an increase in COVID-19 cases and hospitalizations. The Governor's order suspends elective surgeries at hospitals in Bexar, Dallas, Harris, and Travis counties.

On June 24, Governor Abbott announced that the Texas Division of Emergency Management (TDEM), in partnership with the Texas Military Department (TMD), will begin distributing 3-ply surgical masks to every Texan who undergoes COVID-19 testing at state-run mobile test collection sites.

On June 23, As COVID-19 cases rise in Texas, Governor Abbott has expanded the ability of mayors and county judges to impose restrictions on outdoor gatherings of over 100 people.
