On July 02, Governor Abbott issued an Executive Order requiring all Texans to wear a face covering over the nose and mouth in public spaces in counties with 20 or more positive COVID-19 cases, with few exceptions. The Governor also issued a proclamation giving mayors and county judges the ability to impose restrictions on some outdoor gatherings of over 10 people, and making it mandatory that, with certain exceptions, people cannot be in groups larger than ten and must maintain six feet of social distancing from others.

Additionally, the Governor released a new video message to coincide with his Executive Order, encouraging Texans to do their part to mitigate the spread of COVID-19 and keep their communities safe. The video can be [downloaded at this link](#) and [can also be viewed on YouTube](#).

On July 2, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) will provide approximately \$182 million in emergency Supplemental Nutrition Assistance Program (SNAP) food benefits for the month of July as the state continues to respond to the COVID-19 pandemic. HHSC received federal approval from the U.S. Department of Agriculture to extend the maximum, allowable amount of SNAP benefits to recipients based on family size.

On July 2, Governor Abbott and the Texas Health and Human Services Commission (HHSC) announced that \$2.67 billion in federal funding has been approved to support Texas hospitals that provide care for people receiving Medicaid. This is a \$1.07 billion increase from the previous State Fiscal Year (SFY) 2020.

The Uniform Hospital Rate Increase Program (UHRIP) is a statewide program that provides for increased Medicaid payments to hospitals for inpatient and outpatient services provided to persons with Medicaid. The program aims to reduce the Medicaid shortfall for hospitals that serve people who receive Medicaid. The Centers for Medicare and Medicaid Services approved the estimated UHRIP pool size for SFY 2021 at \$2.67 billion, up from \$1.6 billion in SFY 2020.

On June 30, Governor Abbott and the Texas Health and Human Services Commission (HHSC) announced \$9 million in federal funding for nursing facilities to implement infection control projects to protect residents and staff from the spread of COVID-19. Starting July 1, nursing facility providers in Texas are encouraged to submit applications to HHSC to receive this federal funding.

Approved providers will be eligible to receive funds for infection control resources, including:

- Thermometers and temperature scanning equipment for staff and residents
- Decontamination and disinfecting systems
- Plexiglass barriers or portable walls to ensure social distancing and droplet protection
- N95 fit-test equipment
- Microbe-resistant flooring and wall coverings

For more details on how to apply, visit the Texas HHS website. The deadline for applications is August 30.

HHSC is continuing to accept applications for communication technology in nursing facilities, which are eligible to receive up to \$3,000 per facility to purchase devices (e.g. iPads, tablets, webcams) and accessories (e.g. headphones, protective covers).

HHSC is allocating Civil Money Penalty (CMP) funds for this project as well as the infection control projects. The Centers for Medicare & Medicaid Services (CMS) imposes CMPs against Medicare- or Medicaid-certified nursing facilities found out of compliance with federal requirements. CMP funds can be used for projects and activities that benefit nursing facility residents by improving their quality of care or quality of life. Currently, HHSC is only accepting and reviewing applications for projects related to addressing COVID-19, such as infection control practices and communication technology.

On June 30, Governor Abbott issued a proclamation suspending elective surgeries at hospitals in Cameron, Hidalgo, Nueces, and Webb counties to help ensure hospital bed availability for COVID-19 patients in these communities. This proclamation amends the Governor's previous Executive Order to include these four counties in addition to Bexar, Dallas, Harris, and Travis counties.

On June 29, Governor Greg Abbott announced that the Texas Health and Human Services Commission (HHSC) extended the application deadline for the federal Pandemic-Electronic Benefit Transfer program (P-EBT) to July 31. It is a one-time benefit of \$285 per eligible child for those who lost access to free or reduced-price school meals due to school closures.

On June 26, Governor Abbott issued an executive order limiting certain businesses and services as part of the state's effort to contain the spread of COVID-19. This decision comes as the number of people testing positive for COVID-19, the number of hospitalizations have increased, and the positivity rate in Texas increased above 10%.

On June 26, Governor Abbott announced that the federal government has granted his request to extend operations of Community Based Testing Sites across Texas.

On June 25, the Texas Health and Human Services Commission enacted new emergency rules related to health and safety standards for child day care operations. These emergency rules include many of the guidelines from the Open Texas Child Care Checklist.

On June 25, Governor Abbott announced that the State of Texas will pause any further phases to open Texas as the state responds to the recent increase in positive COVID-19 cases and hospitalizations.

On June 25, Governor Abbott issued an Executive Order to ensure hospital bed availability for COVID-19 patients as Texas faces an increase in COVID-19 cases and hospitalizations. The Governor's order suspends elective surgeries at hospitals in Bexar, Dallas, Harris, and Travis counties.

On June 24, Governor Abbott announced that the Texas Division of Emergency Management (TDEM), in partnership with the Texas Military Department (TMD), will begin distributing 3-ply surgical masks to every Texan who undergoes COVID-19 testing at state-run mobile test collection sites.

On June 23, As COVID-19 cases rise in Texas, Governor Abbott has expanded the ability of mayors and county judges to impose restrictions on outdoor gatherings of over 100 people.

On June 22, Governor Abbot provided an update on Texas' continued response to COVID-19.

On June 16, Governor Abbott and Executive Vice Chancellor for Health Affairs of the University of Texas (UT) System John Zerwas, MD, provided an update on Texas' hospital capacity. The Governor noted that despite an uptick in positive cases, there continues to be abundant hospital capacity.

On June 11, Governor Abbott extended the Disaster Declaration for all counties in the State of Texas amid the COVID-19 pandemic.

On June 9, Governor Abbott announced that the Texas Department of State Health Services (DSHS) is distributing additional cases of the antiviral drug Remdesivir to 85 hospitals across 34 counties in Texas.

On June 8, Governor Abbott announced that the Texas Division of Emergency Management (TDEM) is coordinating with local officials, public health officials, and emergency management offices in cities across the state to identify and rapidly expand COVID-19 testing in underserved and minority communities that have been disproportionately impacted by the virus.

On June 4, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) will provide approximately \$177 million in emergency Supplemental Nutrition Assistance Program (SNAP) food benefits for the month of June in response to the COVID-19 pandemic.

On June 3, Governor Abbott announced the third phase of the State of Texas' plan to safely open the economy while containing the spread of COVID-19. Under Phase III, effective immediately, all businesses in Texas will be able to operate at up to 50% capacity, with very limited exceptions.

On May 27, Governor Abbott and the Texas Health and Human Services Commission (HHSC) announced \$3.6 million in funding for nursing facilities to purchase tablets, webcams, and headphones to connect residents with their loved ones during the COVID-19 pandemic.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas A&M AgriLife Extension Service (AgriLife): Texas A&M AgriLife Extension is leading an education effort to help with understand the CARES Act. AgriLife Extension will serve as an information conduit to ensure everyone who is eligible understands how to apply for federal relief funding. This educational initiative will focus on the following areas of relief: Treasury, Small Business, Homeland Security, Justice/Police, HUD, HHS, Health, Labor/Arts, Education, Agriculture, Food Programs, and Rural Development. The first training is available at AgriLife Learn (<https://agrilifelearn.tamu.edu/product?catalog=TAEX-001>).

Article about COVID-19 relief for Ag Producers <https://agrilifetoday.tamu.edu/2020/04/21/covid-19-relief-for-farmers-ranchers/>. In the article, a briefing paper is referenced that has been developed by the Agricultural and Food Policy Center at Texas A&M University.

Thirteen disaster strike teams of Extension Agents have been activated to assist at the Panhandle, Coastal Bend, Border, CATRAC, SETRAC, STRAC, Piney Woods and NCTTRAC RACs. Teams are collaborating with TEEX and the military to support distribution.

Pony Express Team members made the following deliveries/retrievals yesterday:

- 11 bundles or pallets prepared at Armories
- 8 PPE deliveries to medical offices
- 34 PPE deliveries to Skilled Nursing Facilities
- 3 Deliveries of equipment
- 33 Pick-ups or deliveries of test specimen kits
- 2 Deliveries to MTT or QRF sites
- 3 Coolers picked-up from Labs
- 8 Coolers transported to Armory or TDEM Warehouse
- 4 Pallets moved from Armory to RAC or HPP

Ten DAR agents received specimens at armories/airports from QRF collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Curative samples were delivered to Fed Ex by testing teams. DAR agents are coordinating with test sites to ensure deliveries of kits to a FedEx facility. One agent delivered samples to DSHS laboratory.

Last week, 96 AgriLife employees worked for 1,171 hours on contact tracing across the state.

17,522 face masks have been distributed as of July 1 to persons at high risk of contracting COVID-19 through the AgriLife Extension statewide Face Mask project. Masks are being made by 4-H youth, Texas Extension Education and Healthy Texas volunteers.

AgriLife Extension has begun a Food Drive for County Food Pantries across the state utilizing our volunteer network of 4-H Clubs, Family and Community Education Clubs and Master Volunteers. 18 Counties are currently conducting food drives. 12 counties report donations of 16,107 lbs. of food equivalent to 13,423 meals.

AgriLife Extension has also begun a Blood Drive Campaign. Two counties have planned a total of 3 drives; one drive has been conducted in Upshur County with 16 pints of blood donated.

AgriLife Extension Agents at County Extension Offices across the state will be receiving PPE shipments from the TDEM Warehouse and will coordinate/assist with distribution of PPE for 3,168 Child Care Providers this week. PPE has been received or distributed to 90% of the child care centers in 165 counties as of July 1.

Texas A&M Engineering Extension Service (TEEX): TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 distribution locations. TEEX currently has 33 personnel deployed to support ongoing response activities throughout the state in support of the COVID-19 response.

Current support includes:
