On July 15, Governor Abbott today announced that the Department of Defense (DOD) will surge resources to the Rio Grande Valley to help combat COVID-19. The DOD will send a U.S. Army Urban Augmentation Medical Task Force (UAMTF) to provide medical and support professionals needed in Rio Grande Valley hospitals.

Additionally, the Texas Division of Emergency Management is coordinating with local officials to identify alternate sites, such as area hotels, and contract medical staff to care for and house patients that are recovering from COVID-19. This will ensure additional hospital capacity in both Cameron and Hidalgo counties.

Additional DOD teams are prepared to support the state and will be announced as teams are assigned.

On July 15, Governor Abbott announced that his Public Safety Office (PSO) will provide \$41 million in federal funds to assist cities and counties throughout the COVID-19 response. These funds come from the Coronavirus Emergency Supplemental Funding (CESF) Program authorized by the federal Emergency Appropriations for Coronavirus Health Response and Agency Operations Act. The first round of awards, totaling \$7 million, will be distributed this week.

Funds awarded under the CESF Program will be used by local units of governments for first responder overtime and hazard pay; equipment and supplies supporting teleworking technologies, social distancing and personal protective gear; county jail costs associated with the medical needs of inmates as well as reimbursement for holding inmates awaiting transfer to the Texas Department of Criminal Justice.

The CESF Program provides financial assistance to cities and counties to address the public safety challenges posed by the outbreak of COVID-19. The Governor's Public Safety Office (PSO) is responsible for administering these funds and is moving quickly to release awards.

A list of jurisdictions that have received an award can be found [here](#). The list will be updated as awards are released. Local units of government that are interested in learning more about this program can contact PSO via [egrants@gov.texas.gov](mailto:egrants@gov.texas.gov) or at 512-463-1919.

On July 13, Governor Abbott announced that the U.S. Department of Defense has activated additional U.S. Army Urban Augmentation Medical Task Forces (UAMTF) to assist the state's efforts to combat COVID-19. At the Governor's request and as part of a whole-of-nation approach, one UAMTF arrived in San Antonio on July 6th, an additional task force arrived in Texas to support the Houston region, and four UAMTFs, along with a U.S. Navy Acute Care Team and four U.S. Navy Rapid Rural Response teams, will be deployed to additional locations across Texas as identified by ongoing assessments. These teams consist of medical and support professionals which are being deployed to support medical needs in hospitals throughout the state.

On July 12, Governor Abbott announced that the U.S. Department of Health and Human Services (HHS) has extended federal support of Community Based Testing Sites in Dallas and Houston through July 31, 2020. Governor Abbott previously secured an [extension of these sites in June](#). Texans can visit [covidtest.tdem.texas.gov](http://covidtest.tdem.texas.gov) for testing locations near them.

On July 10, Governor Abbott extended the [COVID-19 Disaster Proclamation](#) to further mitigate the spread of the virus. He also announced that Omnicare, a CVS Health company, is partnering with the State of Texas to provide COVID-19 point-of-care testing for assisted living facilities and nursing homes throughout the state. Additionally, Governor Abbott announces additional Federal resources have been activated and are being sent to the Houston Region to combat COVID-19.

On July 9, Governor Abbott issued a [Proclamation](#) suspending elective surgeries in hospitals in all counties located within 11 [Trauma Service Areas \(TSAs\)](#) in Texas.

Texas is divided into twenty-two trauma service areas (TSAs), provided for the formation of a regional advisory council (RAC) in each region. For more information about TSAs, visit [the Texas Department of State Health Services website](#).

On July 8, Governor Abbott announced that the State of Texas will invest \$57 million in federal funds to maintain the state's need-based financial aid programs and keep more students enrolled at their colleges and universities.

On July 7, Governor Abbott announced that the U.S. Department of Health and Human Services (HHS) will provide free COVID-19 testing in Edinburg, Texas as part of the federal government's

surge testing efforts in hot spots throughout the country. This new site will offer 5,000 tests per day and will be operational Wednesday, July 8th through Tuesday, July 14th from 8 AM to 6 PM. The location of the surge testing site is at the Bert Ogden Arena, 4900 South I-69C, Edinburg, TX 78542. Texans are encouraged to pre-register for testing by visiting [www.DoINeedaCOVID19test.com/](http://www.DoINeedaCOVID19test.com/).

**Texas Division of Emergency Management Texas A&M University System (TDEM):** The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State’s Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas Division of Emergency Management is coordinating with local officials to identify alternate sites, such as area hotels, and contract medical staff to care for and house patients that are recovering from COVID-19. This will ensure additional hospital capacity in both Cameron and Hidalgo counties.

**Texas A&M AgriLife Extension Service (AgriLife):** Texas A&M AgriLife Extension is leading an education effort to help with understand the CARES Act. AgriLife Extension will serve as an information conduit to ensure everyone who is eligible understands how to apply for federal relief funding. This educational initiative will focus on the following areas of relief: Treasury, Small Business, Homeland Security, Justice/Police, HUD, HHS, Health, Labor/Arts, Education, Agriculture, Food Programs, and Rural Development. The first training is available at AgriLife Learn (<https://agrilifelearn.tamu.edu/product?catalog=TAEX-001>).

Article about COVID-19 relief for Ag Producers <https://agrilifetoday.tamu.edu/2020/04/21/covid-19-relief-for-farmers-ranchers/>. In the article, a briefing paper is referenced that has been developed by the Agricultural and Food Policy Center at Texas A&M University.

The agency deployed 13 Disaster Assessment and Recovery (DAR) Agents and 8 Central Leadership Team members as Incident Support Teams to support TEEEX at the 8 RAC armories across Texas. Two DAR agents are stationed at Weslaco and Midland to assist with PPE distribution for MTT's and Nursing Home Testing. Eight disaster strike teams of Extension Agents have been activated to assist at the Panhandle, Coastal Bend, Border, CATRAC, SETRAC, STRAC, Pineywoods and NCTTRAC RAC's to assist TDEM with medical supply delivery. Teams are collaborating with TEEEX and the military to support distribution.

Pony Express Team members made the following deliveries/retrievals yesterday:

- 4 PPE deliveries to medical offices
- 2 PPE deliveries to Skilled Nursing Facilities
- 12 Deliveries of equipment
- 27 Pick-ups or deliveries of test specimen kits
- 3 Deliveries of tests to MTT or QRF sites
- 7 Coolers picked-up from Labs
- 7 Coolers transported to Armory or TDEM Warehouse
- 2 Pallets moved from Armory to RAC or HPP

Three DAR agents received specimens at armories/airports from seven QRF collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Curative samples were delivered to FedEx by testing teams. Nine DAR agents are coordinating with test sites to ensure deliveries of kits to the Courier. One agent delivered samples to DSHS laboratory. DAR agents Pony Expressed 50,000 clean curative test kits to Dallas, Midland, El Paso, Tyler and Houston Armories.

The USPHS data entry team will complete their mission on July 14, 2020 and will be deactivated as of July 15, 2020.

Last week, 82 AgriLife employees worked for 958 hours on contact tracing across the state.
