On July 22, Governor Abbott announced that the State of Texas will allocate an additional \$118 million in federal funding to support higher education in Texas, including \$93 million to help students continue or restart their progress toward earning a post-secondary credential or degree.

The funding announced today follows the \$57 million that Governor Abbott and legislative leaders recently allocated to offset potential cuts to state financial aid programs. This combined investment to post-secondary students and institutions, totaling \$175 million, comes from the Governor's Emergency Education Relief Fund made available through the Coronavirus Aid, Relief, and Economic Security (CARES) Act signed into law by President Trump.

The funding announced includes:

\$46.5 million in targeted financial aid for upskilling and reskilling displaced workers in high-demand fields, including workers who have earned some college credit but no credential, allowing new paths into the workforce with higher earning potential.

\$46.5 million in emergency student support so students whose families have been severely financially impacted by COVID-19 can stay enrolled in higher education.

\$15 million for strategic education and workforce data infrastructure to provide timely, actionable intelligence to students, institutions, employers, and policymakers; scale and expand existing technologies and tools that support college and career advising; and help students stay on track to earn high-value credentials.

\$10 million to improve the quality of online learning by strengthening distance education course offerings and bolstering institutions' capabilities to use data to support student success. This will include funds to develop Open Educational Resource course materials that significantly reduce costs to students.

On July 21, Governor Abbott held virtual meetings with mayors, county judges, emergency managers, hospital executives, state legislators, and other local officials from Cameron and Hidalgo Counties to discuss the unified efforts to combat COVID-19 in these communities. The Governor and local leaders discussed the ongoing needs of the Valley and the ways the State of Texas can continue to assist these communities as they fight to protect public health and mitigate the spread of COVID-19. The Governor also discussed the assets and resources that have been deployed to the Valley and asked for feedback on other needs. Additionally, the Governor and local leaders discussed the expansion of hospital capacity and staffing needs. Governor Abbott also agreed to support Hidalgo County's efforts to contract with a hotel to provide more beds for recovering COVID-19 patients.

Governor Abbott's Chief of Staff Luis Saenz and Texas Division of Emergency Management Chief (TDEM) Nim Kidd attended these meetings in person. Following the virtual meeting with Cameron County and Hidalgo County leadership, Saenz continued to visit with local elected officials, and Chief Kidd visited with local emergency management and hospital personnel to discuss their ongoing needs.

Substantial resources have already been provided to the Rio Grande Valley with more on the way. On Sunday, Governor Abbott announced that the U.S. Department of Defense (DOD) has deployed five U.S. Navy teams to four locations in South and Southwest Texas to help combat the spread of COVID-19. One U.S. Navy Acute Care Team is providing support at the Valley Baptist Medical Center in Harlingen and four U.S. Navy Rural Rapid Response Teams are supporting hospitals in Del Rio, Eagle Pass, and Rio Grande City. The DOD has also deployed a U.S. Army Urban Augmentation Medical Task Force to provide medical and support professionals needed in Rio Grande Valley Hospitals. Previously, the Governor increased hospital capacity in Cameron and Hidalgo Counties by suspending elective surgeries.

The Texas Department of State Health Services has fulfilled several State of Texas Assistance Requests for ventilators, hospital staffing, nursing home staffing, testing teams, epidemiology staff, lab staff, test collection kits and supplies, ambulance strike teams, oxygen concentrators, oxygen cylinders, morgue trailers, assorted medical supplies and various types of personal

protective equipment (PPE). Additionally, numerous cases of Remdesivir have been sent to the Rio Grande Valley.

TDEM has distributed PPE to Cameron and Hidalgo Counties as well. These distributions include over 3 million surgical masks, over 1.4 million pairs of medical gloves, over 280,000 face shields, over 2.1 million n95 masks, and more.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State’s Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas A&M AgriLife Extension Service (AgriLife): Texas A&M AgriLife Extension is leading an education effort to help with understand the CARES Act. AgriLife Extension will serve as an information conduit to ensure everyone who is eligible understands how to apply for federal relief funding. This educational initiative will focus on the following areas of relief: Treasury, Small Business, Homeland Security, Justice/Police, HUD, HHS, Health, Labor/Arts, Education, Agriculture, Food Programs, and Rural Development. The first training is available at AgriLife Learn (<https://agrilifelifelearn.tamu.edu/product?catalog=TAEX-001>).

Article about COVID-19 relief for Ag Producers <https://agrilifetoday.tamu.edu/2020/04/21/covid-19-relief-for-farmers-ranchers/>. In the article, a briefing paper is referenced that has been developed by the Agricultural and Food Policy Center at Texas A&M University.

The agency deployed 13 Disaster Assessment and Recovery (DAR) Agents and 8 Central Leadership Team members as Incident Support Teams to support TEEEX at the 8 RAC armories across Texas. Two DAR agents are stationed at Weslaco and Midland to assist with PPE distribution for MTT’s and Nursing Home Testing. Eight disaster strike teams of Extension Agents have been activated to assist at the Panhandle, Coastal Bend, Border, CATRAC, SETRAC, STRAC, Pineywoods and NCTTRAC RAC’s to assist TDEM with medical supply delivery. Teams are collaborating with TEEEX and the military to support distribution.

Pony Express Team members made the following deliveries/retrievals yesterday:

- 617 bundles or pallets prepared at Armories
- 20 PPE deliveries to schools, county/governmental facilities
- 3 PPE deliveries to Skilled Nursing Facilities & Medical offices
- 8 Deliveries of equipment
- 16 Pick-ups or deliveries of test specimen kits
- 8 Deliveries of tests to MTT or QRF sites
- 2 Coolers picked-up from Labs
- 2 Coolers transported to Armory or TDEM Warehouse
- 6 Pallets moved from Armory to RAC or HPP

Three DAR agents received specimens at armories/airports from four QRF collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Curative samples were delivered to Fed Ex by testing teams. Nine DAR agents are coordinating with test sites to ensure deliveries of kits to the Courier. One agent delivered samples to DSHS laboratory. DAR agents Pony Expressed 12 pallets of PPE to TDCJ in Huntsville.

DAR agents have distributed a second round of Child Care Provider PPE to the twelve District Extension Offices on July 21 and 22. This allotment of PPE will be distributed to 3,159 Child Care Providers at County Extension offices across the state in the following week.

Brazos County Extension Agents assisted the Brazos County Food Bank with delivery of 4 Q-kits to quarantined COVID-19 patients on July 21.

17,617 face masks have been distributed as of July 17 to persons at high risk of contracting COVID-19 through the AgriLife Extension statewide Face Mask project. Masks are being made by 4-H youth, Texas Extension Education and Healthy Texas volunteers. This equates to an economic value of \$135,489.

Texas A&M Engineering Extension Service (TEEX): TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 distribution locations. TEEX currently has 49 personnel deployed to support ongoing response activities throughout the state in support of the COVID-19 response.

TEEX assisted in working with H-E-B to get 700 climate controlled pallet spaces, and 2,700 pallet spaces non climate controlled to store supplies.

Current support includes:

- One (1) person to the Remote State Operations Center (RSOC) in Austin to serve as a liaison TDEM SOC Operation Section and coordinate TEEX activities at RSAs (Armories).
- Safety Officer: (1) person to work on Safety Issues to help our workforce stay safe.
- Two (2) personnel of TEEX senior leadership to augment State Operations Center and allow rotation time for TDEM senior leadership.
- Located RSA (Armory) within the Regional Advisory Councils (RAC) areas to support the Department of State Health Services (DHS)/ESF-8 distribution of medical commodities to local organizations.
