Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State’s Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas A&M AgriLife Extension Service (AgriLife): Texas A&M AgriLife Extension is leading an education effort to help with understand the CARES Act. AgriLife Extension will serve as an information conduit to ensure everyone who is eligible understands how to apply for federal relief funding. This educational initiative will focus on the following areas of relief: Treasury, Small Business, Homeland Security, Justice/Police, HUD, HHS, Health, Labor/Arts, Education, Agriculture, Food Programs, and Rural Development. The first training is available at AgriLife Learn (<https://agrilifelearn.tamu.edu/product?catalog=TAEX-001>).

The agency deployed 13 Disaster Assessment and Recovery (DAR) Agents and 8 Central Leadership Team members as Incident Support Teams to support TEEX at the 8 RAC armories across Texas. Two DAR agents are stationed at Weslaco and Midland to assist with PPE distribution for MTT’s and Nursing Home Testing. Eight disaster strike teams of Extension Agents have been activated to assist at the Panhandle, Coastal Bend, Border, CATRAC, SETRAC, STRAC, Pineywoods and NCTTRAC RAC’s to assist TDEM with medical supply delivery. Teams are collaborating with TEEX and the military to support distribution.

[Pony Express Team members made the following deliveries/retrievals yesterday:](#)

- 602 bundles or pallets prepared at Armories
- 22 PPE deliveries to schools, county/governmental facilities
- 10 PPE deliveries to Skilled Nursing Facilities & Medical offices
- 13 Deliveries of equipment
- 22 Pick-ups or deliveries of test specimen kits
- 3 Deliveries of tests to MTT or QRF sites
- 7 Coolers picked-up from Labs
- 7 Coolers transported to Armory or TDEM Warehouse
- 14 Pallets moved from Armory to RAC or HPP

One DAR agents received specimens at armories/airports from two QRF collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Curative samples were delivered to Fed Ex by testing teams. Nine DAR agents are coordinating with test sites to ensure deliveries of kits to the Courier. One agent delivered samples to DSHS laboratory.

17,822 face masks have been distributed as of July 24 to persons at high risk of contracting COVID-19 through the AgriLife Extension statewide Face Mask project. Masks are being made by 4-H youth, Texas Extension Education and Healthy Texas volunteers. This equates to an economic value of \$137,066.

Texas A&M Engineering Extension Service (TEEX): TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 distribution locations. TEEX currently has 49 personnel deployed to support ongoing response activities throughout the state in support of the COVID-19 response.

TEEX assisted in working with H-E-B to get 700 climate controlled pallet spaces, and 2,700 pallet spaces non climate controlled to store supplies.

Current support includes:

- One (1) person to the Remote State Operations Center (RSOC) in Austin to serve as a liaison TDEM SOC Operation Section and coordinate TEEX activities at RSAs (Armories).
- Safety Officer: (1) person to work on Safety Issues to help our workforce stay safe.
- Two (2) personnel of TEEX senior leadership to augment State Operations Center and allow rotation time for TDEM senior leadership.
- Located RSA (Armory) within the Regional Advisory Councils (RAC) areas to support the Department of State Health Services (DHS)/ESF-8 distribution of medical commodities to local organizations.
- Providing Personnel at HEB Warehouse in San Antonio, Texas. This is to assist in reorganization of supplies at TDEM Warehouse.
- IST at these 10 locations are supporting the supply of VTM (Nasal) and Curative Kits (Oral) COVID Testing medium to military testing units, local governments, and private companies. This is to provide regional testing across the state.

Corpus RSA will be evacuating for Hurricane Hanna. They have confirmed that all operations in Corpus Christi will not need immediate needs from this RSA. All people will be on a recall status to return when weather has passed or if needed.

Texas A&M Forest Service (TFS): TFS currently has 83 personnel committed to COVID-19 Response and is providing planning and logistical support to the Texas Division of Emergency Management and Texas Department of State Health Services.
