

## Texas Division of Emergency Management State Situation Report

---

### New Information Is In Blue

Event Name	20-0012 Hurricane Hanna (EM-3530)
Date	August, 06 2020
Time	0900
Operational Period	August 5 to August 6, 2020
Report Number	14

### Regions Affected

DPS Regions Affected	3
DDCs Active	DDC's 20 & 21

**STATEWIDE CURRENT SITUATION:** Local jurisdictions with the assistance of State and Federal partners and Volunteer Organizations Active in Disasters (VOADs) continued with damage assessments and recovery efforts due to Hurricane Hanna.

**Weather:** The NWS Brownsville Office continues to update their reports about Hurricane Hanna to their website: [https://www.weather.gov/bro/2020event\\_Hanna](https://www.weather.gov/bro/2020event_Hanna).

On August 3, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) has received federal approval to automatically provide replacement benefits for Supplemental Nutrition Assistance Program (SNAP) recipients for food lost or destroyed due to Hurricane Hanna in six of the impacted counties: Brooks, Hidalgo, Kenedy, McMullen, Starr and Willacy. Those six counties met federal criteria for mass replacements of benefits based on the severity of storm impacts in their area.

SNAP recipients in the six impacted counties do not need to take any action to receive the mass replacement. A percentage of the regular allotment of benefits will be automatically issued to all regular SNAP households in the affected counties and placed on their Lone Star cards by August 4, 2020.

To allow people to continue social distancing and staying home, HHSC is encouraging SNAP clients to request their replacement food benefits by calling 2-1-1 and pressing option 2. Alternately, recipients can download [Form H1855](#) (Affidavit for Non-receipt or Destroyed Food Stamp Benefits) on the HHSC website. To limit exposure to COVID-19, recipients are encouraged to mail or fax the completed form to HHSC instead of visiting their local offices. Completed forms should be mailed to Texas Health and Human Services Commission, PO Box

149027, Austin, TX, 78714-9027, or faxed to 1-877-447-2839. For more information, please visit [hhs.texas.gov](https://hhs.texas.gov).

On July 28, Governor Abbott visited Corpus Christi to meet with local officials and survey storm damage left by Hurricane Hanna over the weekend. The Governor thanked officials for their leadership during these difficult times and reaffirmed the Lone Star State's commitment to helping the victims of Hurricane Hanna. Governor Abbott was joined by Texas Division of Emergency Management (TDEM) Chief Nim Kidd.

Home and business owners who faced damage as a result of Hurricane Hanna are encouraged to submit a [damage survey](#), which will allow TDEM to request more resources and volunteers into the area to help.

Governor Abbott has waived certain regulations related to commercial trucking in the state of Texas. These suspensions will allow commercial drivers to more quickly deliver supplies, specifically electric power poles, to communities in the Rio Grande Valley and the Coastal Bend that were directly impacted by Hurricane Hanna.

On July 26, Governor Abbott announced that the Federal Emergency Management Agency (FEMA) and President Trump have granted a Federal Emergency Declaration (EM-3530) request for Public Assistance Category B (Emergency Protective Measures). Specifically, FEMA is authorized to provide emergency protective measures (Category B), limited to direct Federal assistance and reimbursement for mass care including evacuation and shelter support at 75 percent federal funding.

On July 25, Governor Abbott held a press conference at the Alternate State Operations Center in Austin where he provided an update on the state's response to Hurricane Hanna.

The Governor issued the disaster declaration for Aransas, Bee, Bexar, Brazoria, Brooks, Calhoun, Cameron, Dimmit, Duval, Fort Bend, Galveston, Goliad, Harris, Hidalgo, Jackson, Jim Hogg, Jim Wells, Kenedy, Kleberg, La Salle, Live Oak, Matagorda, McMullen, Nueces, Refugio, San Patricio, Starr, Victoria, Webb, Wharton, Willacy, and Zapata counties. The declaration provides the Governor, the ability to waive statutes or administrative rules that may hinder the response or recovery, as well as the ability to ask for federal assistance in response to Hurricane Hanna.

#### **OPERATIONAL PRIORITIES:**

1. Protect life and property.
2. Support rapid & effective response.
3. Collect and disseminate accurate incident information to improve decision-making.
4. Accurately track incident costs associated with assigned resources for cost recovery.

### **Region 3 (Includes DDCs 19, 20, 21, and 24)**

**DDC 20 – Corpus Christi** (Includes: Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, Nueces, Refugio and San Patricio Counties)

**2-1-1 Texas/United Way HELPLINE:** Coastal Bend Region Service area: Aransas, Bee, Brooks, Duval, Jim Wells, Kenedy, Kleberg, Live Oak, McMullen, Nueces, Refugio, San Patricio counties.

From July 23 to July 28, 211 Texas answered 825 caller requests for Hurricane Hanna. Top requests: Functional Needs Registration (STEAR), Evacuation Transportation, Evacuation Information, Disaster Preparedness Information, and Mass Care Shelters.

Efforts are focusing on damage assessments and recovery. The vast majority of damage occurred along the coastline with storm surge and beach erosion

**DDC 21 – Weslaco** (Includes: Cameron, Hidalgo, and Willacy Counties)  
AEP will be conducting repairs on a major transmission line August 1-14 in Edinburg.

State Pumps are located in the following locations: Seven in Cameron County, eight in Hidalgo County, two in Willacy County. Six pumps are still in reserve at the Pharr TxDOT Yard.

**Cameron County:** Currently there are 18 fully operational pumps in 8 different locations. Areas of concern continue to be North of Santa Rosa, off Orphanage Rd and Cantu Road. Cameron County Public Works prepared for debris removal to start Wednesday August 5, 2020. Vector control continues throughout the county, using larvacide, and adulticide. Cameron County Office of Emergency of Management (OEM) coordinated with Texas VOAD and state partners to address and service, any necessary disaster relief needs for customers and/or businesses that were affected by Hanna. Emergency Management continues to have daily conference calls with partners to address any pending needs. Three customers are still without power.

**Hidalgo County:** Local jurisdictions are continuing damage assessments, debris and vector control will become higher priorities over the next few days. 12 State pumps are located in Hidalgo County, supplementing local pumps. An estimated 37 people are still without power.

**Willacy County:** De-watering operations are continuing with 2 state pumps supplementing local operations, and 2 pumps are pending pick up.

### **RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS**

**Texas Division of Emergency Management (TDEM), Texas A&M University System (TAMUS):** The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as disseminating severe weather messages, preparing Snapshots and the State SITREP. The State Management Team (SMT) continues conducting operations in the alternate State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners to assist with unmet needs and resources.

**TDEM Communications Coordination Group (CCG):** The TDEM CCG continues monitoring the communications systems in the affected region.

**TDEM Disaster Recovery Task Force (DRTF):** The TDEM Disaster Recovery Task Force has three members deployed to DDC-21 Weslaco to assist with damage assessments, volunteer and donations management, and Long Term Recovery Group engagement.

**Texas A&M Forest Service (TFS):** TFS currently has 10 personnel committed to Hurricane Hanna recovery and is providing planning and logistical support to the TDEM. Operational activities include Situation Reports, STAR processing, and resource tracking of pumps and generators.

**Texas Commission on Environmental Quality (TCEQ):** TCEQ staff completed the calls to the public drinking water systems (PWS) and wastewater treatment facilities located in Nueces, Kleberg, Jim Wells, Cameron, Hidalgo, Willacy, and Starr Counties.

Temporary Debris Management Sites (TDMS):

The TCEQ Hurricane Hanna website is now live at <https://www.tceq.texas.gov/response/hurricanes/hanna>

**Texas Military Department (TMD):** TMD currently has 48 personnel and 5 vehicles in support of the Hurricane Hanna Response. TMD is supporting DDC-20 with a Military District Coordinator. TMD is supporting the Rio Grande Valley with shelter operations teams.

**Texas Parks and Wildlife (TPWD):** TPWD LE continues manning its disaster district chairperson seat at DDC 21 Weslaco daily. TPWD's Unmanned Aircraft System (UAS) team is assisting DDC 20 with debris documentation along the Kleberg County shoreline to identify debris hazards in the water. Also documented the navigational channel markers that may have been displaced during Hurricane Hanna.

### **Volunteer Organizations Active in Disaster (VOADs)**

**2-1-1:** 2-1-1 is requesting partner agencies add all public-facing services and operations (feeding sites, hygiene kits, cleaning kits) to the 2-1-1 website or email [Melissa.Korpi@hhsc.state.tx.us](mailto:Melissa.Korpi@hhsc.state.tx.us) (Interim Disaster Coordinator for 2-1-1)

### **American Red Cross (ARC)**

- Five non-congregate shelters: [Brownsville \(population 13\)](#), [Corpus Christi \(population 16\)](#) and [Weslaco \(population 78\)](#)
- Focusing volunteers on mass care needs and utilizing the disaster survivor information collected through TDEM

**Feeding Texas:** The following 3 Members of Feeding Texas are responding to Hurricane Hanna:

**Coastal Bend Food Bank:** All agencies are operational.

### **Food Bank of the Rio Grande Valley:**

- Pounds distributed so far for Hurricane Hanna relief = 610,653
- Disaster Partner Agencies opened in Edinburg and Monte Alto
- An emergency produce distribution was done in the City of Lasara.

### **South Texas Food Bank**

- South Texas Food Bank is assisting Starr County officials and VOAD.
- Coordinating with the County Judge to provide food water and volunteers where needed.
- Coordinating volunteer management and assisting the Feeding Taskforce with information regarding feeding needs in the valley.

**Houston Community ToolBank:** The Houston Community ToolBank is on standby and ready to support any organization who needs tools for muck and gutting, debris removal or any other efforts in response to Hurricane Hanna. We are lending tools for free. Here is a link to our inventory: [www.houstontoolbank.org](http://www.houstontoolbank.org). We also have utility trailers, dump trailers and enclosed trailers available for free. Muck-Out kits and hand-washing stations are available in addition to standard resources.
