On August 6, Governor Abbott announced that the Houston Astros and the Texas Division of Emergency Management (TDEM) have teamed up to open a free COVID-19 testing site at Minute Maid Park in Houston. The testing site will be able to process 2,000 tests per day and will begin operations on Saturday, August 8.

"The State of Texas continues to work diligently to increase access to testing in communities that need it most," said Governor Abbott. "We are proud to partner with the Houston Astros to provide more testing in the city of Houston."

"We're pleased to partner with the state and local health departments to provide another testing option in our city," said Astros Owner and Chairman Jim Crane. "We are happy to continue to assist our community as we collectively fight this pandemic."

Testing will run from 8:00 AM through 4:00 PM seven days per week. The site will feature eight drive-thru testing lanes and four walk-up testing lanes. Spanish-speaking staff will be available on-site. No healthcare provider is required for test administration. To book an appointment and learn more, visit [Texas.curativeinc.com](https://www.texas.curativeinc.com).

On August 5, Governor Abbott and the Texas Health and Human Services Commission (HHSC) announced that the federal government has further extended the deadline to apply for the

CARES Act Provider Relief Fund. The deadline has now been extended to Aug. 28, 2020 for Medicaid and CHIP providers as the state responds to the COVID-19 pandemic.

In addition, starting August 10, 2020, Medicare providers can apply for additional funding from the \$20 billion portion of the \$50 billion Phase 1 Medicare General Distribution. More information is available [here](#).

Governor Abbott and HHSC [previously announced an extended deadline](#) for this funding to August 3. As of July 15, 2020, less than 5 percent of the state's 27,351 eligible providers in Texas have applied. Failure to apply for, and secure relief funds will leave potentially billions of federal dollars otherwise available to Medicaid and CHIP providers in Texas, unused. To ensure eligible providers have the opportunity to apply, the deadline has been extended to August 3.

Provider Relief Funds may be used to cover lost revenue due to COVID-19 or health related expenses purchased to prevent, prepare for, and respond to the virus, including supplies and equipment to provide health care services for COVID-19 patients, workforce training, reporting test results to federal, state, or local governments, and acquiring additional resources, equipment, supplies, staffing and technology to expand and preserve care delivery. Up to \$15 billion from the CARES Act Provider Relief Fund is available to eligible providers that participate in state Medicaid and CHIP programs.

On August 4, Governor Abbott visited the McAllen Convention Center for the opening of the temporary health care facility which will help increase the Rio Grande Valley's hospital capacity during the COVID-19 pandemic. [As the Governor previously announced](#), the health care facility will have the capacity to treat a maximum of 250 patients, and will be equipped with hospital beds, medical equipment and medical staff. The health care facility opened Tuesday morning, and will begin taking up to 50 patients. The facility will increase patient intake and capacity as needed.

On August 4, Governor Abbott visited the Texas Division of Emergency Management's (TDEM) Warehouse in San Antonio where he provided an update on the state's distribution of Personal Protective Equipment (PPE) to Texas school districts for the 2020-2021 academic year. The Governor noted that the state will continue to purchase and distribute PPE to schools at no cost to the school districts.

On August 4, Governor Abbott announced that President Trump has extended federal funding for the Texas National Guard's mission to help combat COVID-19 in communities across the state. This extension of the Texas National Guard will be fully funded by the federal government through the end of 2020.

On July 31, Governor Abbott held virtual meetings with mayors, county judges, emergency managers, hospital executives, state legislators, and other local officials from the cities of Laredo and Eagle Pass to discuss ongoing efforts to slow the spread of COVID-19. Governor Abbott and community leaders discussed a variety of topics including hospital capacity, testing, and new strategies to mitigate COVID-19 in South Texas.

On July 30, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) will provide approximately \$185 million in emergency Supplemental Nutrition Assistance Program (SNAP) food benefits for the month of August as the state

continues to respond to the COVID-19 pandemic. HHSC received federal approval from the U.S. Department of Agriculture to extend the maximum, allowable amount of SNAP benefits to recipients based on family size.

Texans in need can apply for benefits, including SNAP and Medicaid, at YourTexasBenefits.com or use the Your Texas Benefits mobile app to manage their benefits.

On July 30, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) is extending flexibilities to Medicaid and CHIP recipients and providers through October 23, 2020, as the state continues to combat the COVID-19 pandemic. These flexibilities will minimize face-to-face interactions and ensure continuity of care for clients during the COVID-19 response.

On July 28, Governor Abbott visited the Rio Grande Valley to meet with state legislators and local officials to discuss the state's ongoing response to COVID-19 and additional resources being sent to the region, as well as the Hurricane Hanna recovery efforts. RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas A&M AgriLife Extension Service (AgriLife): Texas A&M AgriLife Extension is leading an education effort to help with understanding the CARES Act. AgriLife Extension will serve as an information conduit to ensure everyone who is eligible understands how to apply for federal relief funding. This educational initiative will focus on the following areas of relief: Treasury, Small Business, Homeland Security, Justice/Police, HUD, HHS, Health, Labor/Arts, Education, Agriculture, Food Programs, and Rural Development. The first training is available at AgriLife Learn (<https://agrilifelearn.tamu.edu/product?catalog=TAEX-001>).

The agency deployed 13 Disaster Assessment and Recovery (DAR) Agents and 8 Central Leadership Team members as Incident Support Teams to support TEEX at the 8 RAC armories across Texas. Two DAR agents are stationed at Weslaco and Midland to assist with PPE distribution for MTT's and Nursing Home Testing. Eight disaster strike teams of Extension Agents have been activated to assist at the Panhandle, Coastal Bend, Border, CATRAC, SETRAC, STRAC, Pineywoods and NCTTRAC RAC's to assist TDEM with medical supply delivery. Teams are collaborating with TEEX and the military to support distribution.

The STAR for the six Nueces County Agents originally dedicated, will be extended through October 31. Another action has been submitted to provide six additional County agents from surrounding counties to assist with Contact Tracing through October 31.

Pony Express Team members made the following deliveries/retrievals yesterday:

- 5 PPE deliveries to schools, county/governmental facilities
- 3 PPE deliveries to Skilled Nursing Facilities & Medical offices
- 5 Deliveries of equipment
- 2 Pick-ups or deliveries of test specimen kits
- 2 Deliveries of tests to MTT or QRF sites
- 18 Coolers transported to Armory or TDEM Warehouse

One DAR agent received specimens at armories/airports from one QRF collection sites after closing and transferred them to airports or refrigerated trucks to be taken to Austin for distribution to laboratories. Curative samples were delivered to Fed Ex by testing teams. [Nine DAR agents are coordinating with test sites to ensure deliveries of kits to the Courier.](#) One agent delivered samples to DSHS laboratory.

Texas A&M Engineering Extension Service (TEEX): TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 distribution locations. TEEX currently has 60 personnel deployed to support ongoing response activities throughout the state.

Current support includes:

- One person at the Remote State Operations Center (RSOC) in Austin to serve as a liaison TDEM SOC Operation Section and coordinate TEEX activities at RSAs (Armories)
- Safety Officer to work on Safety Issues.
- Two personnel of TEEX senior leadership to augment State Operations Center and allow rotation time for TDEM senior leadership.
- Eight ISTs are ranging from 3 to 8 staff per location based on current workloads.
- Located RSA (Armory) within the Regional Advisory Councils (RAC) areas to support the Department of State Health Services (DHS)/ESF-8 distribution of medical commodities to local organizations.
- IST at these 10 locations are supporting the supply of VTM (Nasal) and Curative Kits (Oral) COVID Testing medium to military testing units, local governments, and private companies.

Texas A&M Forest Service (TFS): TFS currently has 30 personnel committed to COVID-19 response and is providing planning, logistical support and other functional areas as needed to the Texas Division of Emergency Management, Texas Department of State Health Services and local entities. Response activities include Situation Reports, STAR Processing, logistical support for shipping and receiving medical supplies, and incident management support.

Texas Animal Health Commission (TAHC): The TAHC is activated to support the state response to the outbreak of COVID-19. While official guidance maintains that animals are of very low risk for contraction or transmission of COVID-19, the TAHC is working closely with animal response partners to manage consistent public information messaging for how to deal with animals in the context of potential COVID-19 exposure. TAHC has activated virtually to the SOC, is holding conference calls with ESF-11 partners and stakeholders as needed, and is coordinating with DSHS for companion animal testing support. TAHC is receiving phone calls related to case consideration for testing animals for COVID-19: seven animals have been approved for testing to date, with one canine positive result on July 8, 2020.

Texas Commission on Environmental Quality (TCEQ): TCEQ has created a link specific for COVID-19 on our public webpage.

<https://www.tceq.texas.gov/response/covid-19/tceq-preparedness-responsibilities-covid-19>

Texas Department of Licensing and Regulation (TDLR):

- TDLR continues to update their website's COVID-19 page (<https://www.tdlr.texas.gov/covid19.htm>) with the latest developments affecting their licensees and the public.
- TDLR has extended their agency's current work from home initiative through October 1, 2020. TDLR's executive team and division directors continue to monitor the situation.
- TDLR is suspending the Instructor teaching and continuing education requirements for Offender Education Provider Instructors license renewals. License renewals for OEP Instructors who meet all other requirements will be approved. This suspension is in effect until terminated by our Executive Director.

Texas Department of Public Safety (DPS): DPS Texas Highway Patrol (THP) is currently providing:

- DPS CCG Command Trailer has been made available to TDEM Daily Operations for off-site COOP.
- One THP Liaison is assigned to the SOC
- One Sergeant, three Troopers are assigned to assist with the COVID-19 testing site in Dallas.
- Eight THP Troopers assigned to assist with the COVID-19 testing sites in Harris County.
- One DPS HSOC GIS Specialist assigned to assist with GIS efforts in support of COVID-19.
- DPS Troopers continue providing security to the Strategic National Stockpile (SNS) location in Dallas.
- THP continues to have a liaison at the State Operations Center currently assisting with "Pony Express" Rural COVID-19 Testing Sites by coordinating ground transportation of the collected samples for THP/CID to transport to the designated labs for processing.
- August 3, DPS Aviation made flights from San Antonio and Lubbock transporting samples from numerous collection points. Since April 24, DPS Aviation has performed 335 flights, transported 1,497 coolers of samples and have 1,030 hours of flight time.

Texas Department of State Health Services (DSHS): DSHS is supporting Alternate Care Site operations across the state. DSHS is training volunteers online and is also working with Medical Reserve Corps (MRC) to deploy volunteers to needed areas.

Regional Activities:

- Regional EPI Emergency Response Teams have been conducting daily monitoring of PUM/PUI within the region in collaboration with LHDs.
- Mobile test sites have opened throughout the regions and are operating one day testing by appointment only. Status of mobile test sites can be viewed [here](#).
- All RHMOCs are at full activation.
- All eight HPP Providers have activated Medical Operations Centers and are distributing PPE to healthcare entities in the region.

State Medical Operations Center (SMOC) Activities:

- A total of 1,415 LTC facilities have been tested by Rapid Assessment (RA) teams in response to the Governor's orders to test all nursing home staff and residents.
- DSHS has provided support to the Rio Grande Valley which includes Cameron, Hidalgo, Starr and Willacy counties with 2,091 medical staff deployed to 13 hospitals, and also sent out 300 oxygen tanks, 160 IV pumps, 74 vents, 89 O2 concentrators, and 20,465 test kits to the region.

- DSHS is also leading efforts to support regions with alternate care sites throughout Texas.

DSHS Call Center Activities:

The Call Center has received 23,690 calls and 20,023 emails to date. The Call Center will operate Monday-Friday from 8:00AM -6:00PM and Saturday-Sunday from 8:00AM -5:00PM.

Texas Education Agency (TEA): To view TEA support and guidance for school districts regarding COVID-19 please visit <https://tea.texas.gov/texas-schools/safe-and-healthy-schools/coronavirus-covid-19-support-and-guidance>.
