RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas A&M AgriLife Extension Service (AgriLife): Disaster Assessment and Recovery (DAR) Agents began to distribute PPE for County Polling Locations on August 17 from Armories to 12 District Extension offices. Extension Agents and DAR will deliver PPE to County Elections Administrators for 56,840 workers at 8,079 polling places across the state for November elections.

Pony Express Team members made the following deliveries/retrievals yesterday:

- 782 bundles or pallets prepared at Armories
- 206 PPE deliveries to schools, county/governmental facilities
- 10 PPE deliveries to Skilled Nursing Facilities & Medical offices
- 4 Deliveries of equipment
- 9 Pick-ups or deliveries of test specimen kits
- 1 Deliveries of tests to MTT or QRF sites
- 1 Coolers picked-up from Labs
- 2 Coolers transported to Armory or TDEM Warehouse
- 2 Pallets moved from Armory to RAC or HPP

Two DAR agents received specimens at armories/airports from two QRF collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Curative samples were delivered to Fed Ex by testing teams. Nine DAR agents are coordinating with test sites to ensure deliveries of kits to the Courier. One agent delivered samples to DSHS laboratory. DAR agents Pony Expressed 12 pallets of PPE to TDCJ in Huntsville.

For the week of August 10-14, 89 AgriLife employees worked for 908 hours on contact tracing across the state.

DAR agents are working to distribute the third round of Child Care Provider PPE to the twelve District Extension Offices on August 21. This allotment of PPE will be distributed to 1,319 Child Care Providers at County Extension offices across the state in the following week.

Texas A&M Engineering Extension Service (TEEX): TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 distribution locations. TEEX currently has 58 personnel deployed to support ongoing response activities throughout the state. TEEX is also part of the Pony Express Team coordinating with TDEM, AgriLife, DPS, TPWD, TX-TF1, EMTF, CAP, and TMD in moving resources around the state in support of the COVID-19 mission.

Texas A&M Forest Service (TFS): TFS currently has 28 personnel committed to COVID-19 response and is providing planning, logistical support and other functional areas as needed to the Texas Division of Emergency Management, Texas Department of State Health Services and local entities. Response activities include Situation Reports, STAR Processing, logistical support for shipping and receiving medical supplies, and incident management support.

Texas Animal Health Commission (TAHC): The TAHC is activated to support the state response to the outbreak of COVID-19. While official guidance maintains that animals are of very low risk for contraction or transmission of COVID-19, the TAHC is working closely with animal response partners to manage consistent public information messaging for how to deal with animals in the context of potential COVID-19 exposure. TAHC is receiving phone calls related to testing of animals for COVID-19.

Texas Commission on Environmental Quality (TCEQ): TCEQ has created a link specific for COVID-19 on our public webpage.

Texas Department of Licensing and Regulation (TDLR):

- TDLR continues to update their website's COVID-19 page (<https://www.tdlr.texas.gov/covid19.htm>) with the latest developments affecting their licensees and the public.
- TDLR has extended their agency's current work from home initiative through October 1, 2020.
- TDLR has paused all combative sports events in Texas until further notice. They will continue to evaluate the situation in Texas regarding COVID-19 infection rates, but there is no set date at this time for the return of combative sports events in the state. This decision is based on ensuring that protecting the health and safety of all Texans, the combative sports community, general public, ringside officials, combatants and TDLR staff is our agency's top priority.

Texas Department of Public Safety (DPS): DPS Texas Highway Patrol (THP) is currently providing:

- DPS CCG Command Trailer has been made available to TDEM Daily Operations for off-site COOP.
- One Sergeant, three Troopers are assigned to assist with the COVID-19 testing site in Dallas.
- Eight THP Troopers assigned to assist with the COVID-19 testing sites in Harris County.
- One DPS HSOC GIS Specialist assigned to assist with GIS efforts in support of COVID-19.
- DPS Troopers continue providing security to the Strategic National Stockpile (SNS) location in Dallas.
- THP continues to have a liaison at the State Operations Center currently assisting with “Pony Express” Rural COVID-19 Testing Sites by coordinating ground transportation of the collected samples for THP/CID to transport to the designated labs for processing.
- [August 18, DPS Aviation made flights from Dallas, Midland and Austin, transporting samples from numerous collection points. Since April 24, DPS Aviation has performed 344 flights, transported 1,527 coolers of samples and have 1,069 hours of flight time.](#)

Texas Department of State Health Services (DSHS): DSHS is supporting Alternate Care Site operations across the state. DSHS is training volunteers online and is also working with Medical Reserve Corps (MRC) to deploy volunteers to needed areas.

Regional Activities:

- Regional EPI Emergency Response Teams have been conducting daily monitoring of PUM/PUI within the region in collaboration with LHDs.
- Mobile test sites have opened throughout the regions and are operating one day testing by appointment only. Status of mobile test sites can be viewed [here](#).
- All RHMOCs are at full activation.
- All eight HPP Providers have activated Medical Operations Centers and are distributing PPE to healthcare entities in the region.

State Medical Operations Center (SMOC) Activities:

- A total of 1,540 LTC facilities have been tested by Rapid Assessment (RA) teams in response to the Governor’s orders to test all nursing home staff and residents.
- DSHS is also leading efforts to support regions with alternate care sites throughout Texas.

DSHS Call Center Activities:

[The Call Center has received 24,239 calls and 20,929 emails to date.](#) The Call Center will operate Monday-Friday from 8:00AM -6:00PM and Saturday-Sunday from 8:00AM -5:00PM.
