RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management Texas A&M University System (TDEM): The State of Texas State Operations Center remains at Readiness Level II Escalated Response Conditions, with Daily Operations staff processing disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as severe weather messages, and preparing Snapshots and the state SITREP. The State Management Team (SMT) continues conducting operations in the State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners and various members of the public health community to assist with unmet needs and resources.

Texas A&M AgriLife Extension Service (AgriLife):

Pony Express Team members made the following deliveries/retrievals yesterday:

- 2 bundles or pallets prepared at Armories
- 9 Deliveries of equipment
- 5 Pick-ups or deliveries of test specimen kits
- 1 Deliveries of tests to MTT or QRF sites
- 1 Cooler picked-up from Labs
- 1 Cooler transported to Armory or TDEM Warehouse

Two DAR agents received specimens at armories/airports from two QRF collection sites after closing and transferred them to airports or reefer trucks to be taken to Austin for distribution to laboratories. Nine DAR agents are coordinating with test sites to ensure deliveries of kits to the Courier. One agent delivered samples to DSHS laboratory.

Texas A&M Engineering Extension Service (TEEX): TEEX continues to coordinate operations from the SOC and the 8 IST Resource Staging Areas (RSA) throughout Texas in 10 TMD activities throughout the state. TEEX currently has 56 personnel deployed to support ongoing response activities throughout the state. TEEX is also part of the Pony Express Team coordinating with TDEM, AgriLife, DPS, TPWD, TX-TF1, EMTF, CAP, and TMD in moving resources around the state in support of the COVID-19 mission.

Texas A&M Forest Service (TFS): TFS currently has 24 personnel committed to COVID-19 response and is providing planning, logistical support and other functional areas as needed to the Texas Division of Emergency Management, Texas Department of State Health Services and local entities. Response activities include Situation Reports, STAR Processing, logistical support for shipping and receiving medical supplies, and incident management support.

Texas Animal Health Commission (TAHC): The TAHC is activated to support the state response to the outbreak of COVID-19. While official guidance maintains that animals are of very low risk for contraction or transmission of COVID-19, the TAHC is working closely with animal response partners to manage consistent public information messaging for how to deal

with animals in the context of potential COVID-19 exposure.

Texas Commission on Environmental Quality (TCEQ): TCEQ has created a link specific for COVID-19 on our public webpage.
