STATEWIDE CURRENT SITUATION: Jurisdictions affected by Hurricane Laura continue with; repopulation of their residents, disaster damage assessments, Points of Distribution operations and recovery activities.

On September 2, The Texas Division of Emergency Management (TDEM) announced the opening of a virtual shelter reception center to aid Hurricane Laura evacuees. Prior to landfall of Hurricane Laura, the State of Texas, in partnership with local officials in San Antonio, Austin, and Mesquite operated evacuee reception centers to ensure residents of Texas and Louisiana have a safe place to stay. With the closure of in-person reception centers, assistance to evacuees will continue with the virtual shelter reception center.

Evacuees seeking assistance should call 1-888-991-5229, and be prepared to provide documentation, over the phone and upon arrival, demonstrating residency in one of the affected Texas counties or Louisiana parishes listed below.

Eligible Texas Counties: Jasper, Jefferson, Newton, Orange and Sabine.

Eligible Louisiana Parishes: Acadia, Allen, Beauregard, Calcasieu, Cameron, Grant, Jackson, Jefferson Davis, Lincoln, Natchitoches, Ouachita, Rapides, Sabine, Vermilion, Vernon and Winn.

Individuals from outside the impacted areas will not be eligible for sheltering assistance but will be provided additional information on alternative resources. Those individuals should call 2-1-1 for assistance.

As of September 5, the State of Texas continues to provide non-congregate sheltering for over 9,531 evacuees. The Texas Division of Emergency Management will continue to work in coordination with our partners in Louisiana as both states recover from Hurricane Laura.

FEMA has approved the emergency declaration for the State of Texas (FEMA-3540-EM) for the counties of Anderson, Angelina, Aransas, Bexar, Bowie, Brazoria, Calhoun, Cameron, Camp, Cass, Chambers, Cherokee, Dallas, Ellis, Fort Bend, Franklin, Galveston, Gregg, Grimes, Hardin, Harris, Harrison, Houston, Jackson, Jasper, Jefferson, Kenedy, Kleberg, Leon, Liberty, Madison, Marion, Matagorda, Montgomery, Morris, Nacogdoches, Newton, Nueces, Orange, Panola, Polk, Red River, Refugio, Rusk, Sabine, San Augustine, San Jacinto, San Patricio, Shelby, Smith, Tarrant, Titus, Travis, Trinity, Tyler, Upshur, Victoria, Walker, Waller, Wharton, Willacy and Wood for reimbursement for eligible emergency protective measures (Category B), limited to direct Federal assistance and reimbursement for mass care including evacuation and shelter support.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS

Texas Division of Emergency Management, Texas A&M University System (TDEM):

The State of Texas State Operations Center (SOC) remains at Readiness Level II Escalated Response Conditions. The Daily Operations staff continues to process disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), as well as disseminating severe weather messages, preparing Snapshots and the State SITREP. The State Management Team (SMT) continues conducting operations in the alternate State Operations Center, working together with activated members of the State's Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners to assist with any unmet needs and resources.

TDEM Disaster Recovery Task Force (DRTF): The DRTF continues engaging with local jurisdictions, providing financial guidance and discussing sheltering and post landfall operations. Conducting local outreach:

TDEM Mass Care: With the use of Non-Congregate sheltering, most jurisdictions are locating single sites to send evacuees that need COVID-19 isolation and quarantine with the proper support personnel. They are not being tested. All congregate shelters have been closed and shelter guests transitioned to non-congregate shelters.

Texas A&M AgriLife Extension Service Six AgriLife Agents have been assisting with damage assessments in Orange County.

Texas A&M Forest Service (TFS): TFS currently has 31 personnel assigned and numerous resources rostered to assist with needs relating to August Tropical Weather response. TFS is currently providing planning and logistical support, and other functional areas as needed, to TDEM and local entities. Response activities include Situation Reports, STAR processing, logistical support for shipping and receiving medical and sheltering supplies, and incident management support.

The remaining two TIFMAS Saw Squads demobilized and traveled back to their home stations on September 7. All TIFMAS resources have been demobilized from the Hurricane Laura incident.

Public Utilities Commission of Texas (PUC): Continues to monitor the restoration of infrastructure and the power outages caused by Hurricane Laura.

Texas Animal Health Commission (TAHC): The TAHC is virtually activated to the SOC and continues to monitor the evolving sheltering situation and participate in recovery calls. The TAHC continues to field calls related to animal volunteer management, donation management and shelter needs, but has not needed to deploy resources to respond at this time.

Texas Commission on Environmental Quality (TCEQ):
