STATEWIDE CURRENT SITUATION: The State of Texas continues to assist Louisiana with sheltering and basic needs, while volunteer organizations active in disaster (VOADs) continue providing recovery assistance to Texas residents who were also affected by Hurricane Laura.

On September 30, Governor Abbott sent a letter to President Donald Trump requesting a major disaster declaration for Ten Texas Counties to assist in recovery efforts following Hurricane Laura. The Federal Emergency Management Agency (FEMA) previously granted the state's request for a Federal Emergency Declaration ahead of Hurricane Laura's landfall in Texas.

In his letter, the Governor specifically requested Individual Assistance for individuals and households, crisis counseling, disaster unemployment assistance, disaster case management, disaster legal services, and Small Business Administration (SBA) disaster assistance. The Governor also requested Public Assistance for Debris Removal (Category A), Emergency Protective Measures (Category B), Permanent Work (Categories C-G), and Direct Federal Assistance for the counties of Brazoria, Chambers, Galveston, Hardin, Jasper, Jefferson, Newton, Orange, Sabine, and Shelby. The Governor also requested the Hazard Mitigation Grant Program statewide.

On September 22, Governor Abbott renewed the disaster declaration for Hurricane Laura.

On September 15, Governor Abbott announced that the Texas Health and Human Services Commission (HHSC) has received federal approval to automatically provide replacement benefit's for Supplemental Nutrition Assistance Program (SNAP) recipients for food lost or destroyed due to Hurricane Laura in eight of the impacted counties: Hardin, Jefferson, Newton, Orange, Sabine, San Augustine, Shelby and Tyler. Those eight counties met federal criteria for mass replacements of benefits based on the severity of storm impacts in their area.

FEMA has approved the emergency declaration for the State of Texas (FEMA-3540-EM) for the counties of Anderson, Angelina, Aransas, Bexar, Bowie, Brazoria, Calhoun, Cameron, Camp, Cass, Chambers, Cherokee, Dallas, Ellis, Fort Bend, Franklin, Galveston, Gregg, Grimes, Hardin, Harris, Harrison, Houston, Jackson, Jasper, Jefferson, Kenedy, Kleberg, Leon, Liberty, Madison, Marion, Matagorda, Montgomery, Morris, Nacogdoches, Newton, Nueces, Orange, Panola, Polk, Red River, Refugio, Rusk, Sabine, San Augustine, San Jacinto, San Patricio, Shelby, Smith, Tarrant, Titus, Travis, Trinity, Tyler, Upshur, Victoria, Walker, Waller, Wharton, Willacy and Wood for reimbursement for eligible emergency protective measures (Category B), limited to direct Federal assistance and reimbursement for mass care including evacuation and shelter support.

OPERATIONAL PRIORITIES:

1. Recovery
2. Sheltering and Mass Care
3. Accurate Damage assessments
4. Collect and disseminate accurate incident information to improve decision-making.
5. Accurately track incident costs associated with assigned resources for cost recovery.

RESPONDING STATE AGENCIES/ORGANIZATIONS REPORTS:

Texas Division of Emergency Management, Texas A&M University System (TDEM): The Daily Operations staff continues to process disaster declarations, letters to the Governor, Disaster Summary Outlines, State of Texas Assistance Requests (STARs), preparing Snapshots and the State SITREP. The State Management Team (SMT) continues conducting operations in the alternate State Operations Center, working together with activated members of the State’s Emergency Management Council. TDEM District Coordinators are working closely with their local emergency management partners to assist with any unmet needs and resources.

TDEM Mass Care / Disaster Recovery Task Force: TDEM Mass Care continues to coordinate the state-supported non-congregate shelter mission. Evacuees remain in non-congregate shelters throughout the state. TDEM is working with the state of Louisiana on the repopulation of their residents who sought shelter in Texas.

As of Friday, October 9, there are 2,256 (+185) evacuees in 5 non-congregate shelters throughout the State in 842 (-13) hotel rooms.

Further consolidation of NCS within Texas is anticipated by Monday, October 12. All eligible Hurricane Laura evacuees with major/destroyed damages and households with unknown determinations will be consolidated into the Hilton Anatole. Hurricane Laura evacuees with no damage, minor damage and affected damage will transfer in the Crown Plaza until return date to Louisiana is established.

Evacuees who did not exit the shelter were requested to check-in with American Red Cross. No new confirmation numbers or reactivation of hotel key cards was necessary.

HUD reports they will have 968 families triaged by Sunday, October 11 and will start tracking vouchers and households to report back.

DRTF continues to identify Louisiana based recovery and transition resources to provide Texas VOAD, LA/TX Red Cross and LA/TX FEMA VAL partners with situational awareness. Guide #8 was distributed to recovery partners.

Hotel Engine was able to release new data per hotel for mass care to confirm rooms and create an updated list.

Hotel Engine adding addendums to MOU's with hotels requesting physical check-in with shelter guests to determine number of actual rooms used in the shelter.

Partnership with FEMA in the SOC has accomplished the following tasks:

- 1,166 clients have been seen since September 25.
- Coordinating with FEMA to identify LA applicants who have received rental assistance.
- Ongoing coordination and collaboration with State of Louisiana partners for Texas Shelters breakdown of evacuees with minor/affected damages, major/destroyed damages, and no determination/info needed.

Texas continues to support Louisiana in sheltering and recovery transition needs through partnership with FEMA and the American Red Cross.

FEMA has completed intake for 1,092 clients to the Individual Assistance program and are remaining within Texas to assess additional needs and/or evacuees post Hurricane Delta landfall.

Texas Commission on Environmental Quality (TCEQ): TCEQ staff are conducting weekly inspections on twelve authorized Temporary Debris Management Sites (TDMS) in Newton, Orange, Sabine, and Jasper Counties.
