On April 20 Governor Abbott announced that the Texas Division of Emergency Management (TDEM), the Texas Department of State Health Services (DSHS), and the Texas Military Department (TMD) have announced 24 counties participating in the eighth week of the Save Our Seniors COVID-19 vaccine initiative. It was announced the Save Our Seniors program in Corpus Christi in March to provide vaccines to seniors

throughout the state.

On April 14, Governor Abbott announced that TDEM, DSHS, and TMD have announced 35 counties participating in the seventh week of the Save Our Seniors COVID-19 vaccine initiative. The Governor announced the Save Our Seniors program in Corpus Christi in March to provide vaccines to seniors throughout the state. To date, over 50,000 Texans have been vaccinated through this initiative.

On April 13, Governor Abbott issued a statement following the Centers for Disease Control and Prevention (CDC) and Food and Drug Administration's (FDA) recommendation to pause all administration of the Johnson & Johnson COVID-19 vaccine:

On April 7, Governor Abbott announced that the Federal Emergency Management Agency (FEMA) has partially approved a request to extend operations for the Federally Supported Community Vaccination Centers in Arlington, Dallas, and Houston through May 18th. FEMA's extension includes federal personnel who will continue to assist in operating the sites — an extension of federal supplies and doses of vaccine has not been granted and will be provided by the state of Texas.

On April 6, Governor Abbott and the Texas Health and Human Services Commission (HHSC) provided approximately \$254 million in emergency Supplemental Nutrition Assistance Program (SNAP) food benefits for the month of April as the state continues its response to the COVID-19 pandemic.

On April 6, Governor Abbott announced that TDEM, DSHS, and TMD have announced 46 counties participating in the sixth week of the Save Our Seniors COVID-19 vaccine initiative. The Governor announced the Save Our Seniors program in Corpus Christi last month to provide vaccines to seniors throughout the state. To date, 107 counties have participated in the program.

On April 6, Governor Abbott issued an Executive Order prohibiting state agencies or political subdivisions in Texas from creating a "vaccine passport" requirement, or otherwise conditioning receipt of services on an individual's COVID-19 vaccination status. The order also prohibits organizations receiving public funds from requiring consumers to provide documentation of vaccine status in order to receive any service or enter any place.

On March 30, Governor Abbott announced that TDEM, DSHS, and TMD have announced 35 counties participating in the fifth week of the Save Our Seniors COVID-19 vaccine initiative. The Governor announced the Save Our Seniors program in Corpus Christi last month to provide vaccines to seniors throughout the state. To date, 98 counties have participated in the program.

On March 30, Governor Abbott and TDEM announced the creation of a COVID-19 Rapid Testing Program for Texas youth summer camps. This program will help summer camps that are licensed by DSHS to conduct rapid tests of staff and campers during

the summer months. Through this program, TDEM will provide participating summer camps with COVID-19 rapid antigen tests that will be administered to staff and campers who volunteer to participate.

Youth summer camps that are licensed by DSHS and wish to participate in the program can apply [here](#).

On March 26, Governor Abbott and TDEM have requested an extension of the Federally Supported Community Vaccination Centers in Arlington, Dallas, and Houston. Originally launched in February, these federal pilot sites are based at E Sports Stadium, Fair Park, and NRG Stadium, and are part of a joint effort to support vaccination efforts in underserved areas. The sites are operated by FEMA in partnership with the state of Texas through TDEM and local officials.

TDEM submitted the request on March 22 for an extension of supplies, personnel, and vaccine. A request was also made on March 19 to establish a similar community vaccination site at the Alamodome in San Antonio. FEMA denied this request.

On March 26, Governor Abbott announced that ten million COVID-19 vaccines have been administered to Texans across the state, with over 30% of eligible Texans having received a vaccine. This significant milestone is a result of dedicated work by TDEM, DSHS, TMD, and the healthcare workers and volunteers across the state who have helped administer these vaccines.

On March 25, Governor Abbott announced a new outreach partnership between the Texas Health and Human Services Commission (HHSC) and several partners to enhance the state's Save Our Seniors program. The partnership includes the Texas Employee Retirement System, the Texas Teachers Retirement System, AARP, and Medicare health plans. Participating Medicare health plans include UnitedHealthcare, Humana, and Blue Cross Blue Shield of Texas.

On March 23, Governor Abbott announced that TDEM, DSHS, and TMD have confirmed 25 participating counties for the fourth week of the Save Our Seniors initiative.

On March 23, DSHS announced that they have directed vaccine providers to prioritize people 80 years old or older when scheduling appointments and accommodate anyone in that age group who presents for vaccination, whether they have an appointment, by immediately moving them to the front of the line. That will ensure vaccination of anyone 80 or older with as small a burden on themselves as possible.

On March 16, Governor Abbott announced that TDEM, DSHS, and TMD have confirmed 28 participating counties for the third week of the Save Our Seniors initiative.

On March 9, Governor Abbott announced that TDEM, DSHS, and TMD have announced 34 counties participating in the second week of the Save Our Seniors COVID-19 vaccine initiative.

On March 4, Governor Abbott and the Texas Education Agency (TEA) announced that the State of Texas will provide a "hold harmless" to Texas school systems for the rest of the 2020-2021 academic school year only. This means funding will be made available to school systems in Texas that have seen enrollment and attendance declines because of the COVID-19 pandemic, if they maintain or increase current levels of on-campus attendance. Districts will be funded on attendance in line with projections made prior to the public health crisis. This will ensure that school systems in Texas can retain their teachers for the 2020-21 school year for whom they originally budgeted. This final semester of hold harmless means districts have been held harmless for three consecutive semesters — Spring Semester of the 2019-20 academic year and the entirety of the 2020-21 academic year.

On March 2, Governor Abbott issued an Executive Order (GA-34) lifting the mask mandate in Texas and increasing capacity of all businesses and facilities in the state to 100 percent.

On March 1, TDEM, DSHS, and TMD have announced 26 participating counties for the first week of the Save Our Seniors initiative.

On February 26, Governor Abbott and HHSC will provide approximately \$229 million in emergency Supplemental Nutrition Assistance Program (SNAP) food benefits for the month of March as the state continues its response to the COVID-19 pandemic.

On February 25, Governor Abbott announced the statewide Save Our Seniors initiative to vaccinate homebound seniors across Texas. During the press conference, the Governor also commended the Corpus Christi Fire Department, Meals on Wheels of Corpus Christi, and the City of Corpus Christi for the success of their homebound senior vaccination program which serves as a model for the statewide initiative.

On February 11, Governor Abbott announced that TDEM, in partnership with TMD, will deploy State Mobile Vaccination Teams.

On February 10, Governor Abbott announced that the Federal Emergency Management Agency (FEMA) is establishing mass community vaccination sites in the DFW Metroplex and Houston.

On February 9, Governor Abbott announced that the Texas Department of Housing and Community Affairs (TDHCA) has launched the Texas Rent Relief Program — the first statewide rent and utility assistance program for qualifying households throughout Texas. This program has been created to administer the more than \$1 billion allocated to Texas through the latest federal COVID-19 stimulus bill. TDHCA will begin accepting applications for the program on Monday, February 15th, but Texans can visit [TexasRentRelief.com](https://www.texasrentrelief.com) starting today to learn more about qualifications, required documents, and the application process.

On February 4, Governor Abbott announced that TDEM, in partnership with TMD, is deploying State Mobile Vaccination Teams (SMVT) to five additional counties.

On February 4, Governor Abbott announced the extension of the COVID-19 Disaster Declaration.

On February 2, Governor Abbott announced that HHSC will provide approximately \$300 million in emergency Supplemental Nutrition Assistance Program (SNAP) food benefits for the month of February.

On January 28, Governor Abbott and TEA launched an online application for the Supplementary Special Education Services (SSES) program, which allows eligible families of children with significant cognitive disabilities and complex educational needs to apply for a \$1,500 online account to be used in the SSES marketplace.

On January 27, Governor Abbott announced that the U.S. Department of Defense (DoD) has deployed 80 military medical personnel to assist in the COVID-19 response in Abilene, Lufkin, and Eagle Pass.

On January 27, Governor Abbott and TDEM announced the creation of the State Mobile Vaccine Pilot Program to ramp up COVID-19 vaccination efforts in underserved areas of Texas.

On January 25, Governor Abbott announced that the TDEM, in partnership with the City of Lubbock, Lubbock County, Covenant Health System, and UMC Health System, has established an Alternate Care Site in Lubbock to expand hospital capacity in the region.

On January 25, Governor Abbott also announced that TDEM has expanded the COVID-19 therapeutic infusion center in Austin. With added support provided by TDEM, including 24 additional infusion chairs, staff, and medical equipment, the infusion center will be able to increase capacity to treat a greater number of COVID-19 patients each day.

On January 22, Governor Abbott and TDEM announced the expansion of the COVID-19 Rapid Testing Program for front line workers at Texas small businesses by dedicating 1 million BinaxNow Rapid Tests to the program.

On January 22, Governor Abbott announced that DSHS and TDEM have surged medical personnel, equipment, testing supplies, and personal protective equipment (PPE) to Laredo to help combat COVID-19 and support hospitals in the region.

On January 19, Governor Abbott held a roundtable discussion alongside healthcare professionals at Houston Methodist Hospital to highlight his legislative priorities to ensure a healthier future for the state of Texas.

On January 14, Governor Abbott and DSHS announced that that State of Texas has administered more than 1 million doses of the COVID-19 vaccine—making Texas the national leader in vaccinations.

On January 12, 2021, Governor Abbott announced that TDEM, in partnership with Travis County, the City of Austin, and the Capital Area Trauma Regional Advisory Council, has established an Alternate Care Site in Austin to expand hospital capacity in the region.

On January 11, 2021, Governor Abbott held a press conference in Arlington where he provided an update on Texas' COVID-19 vaccine distribution efforts.

On November 24, Governor Abbott announced that TDEM has established a bamlanivimab infusion wing at the state-run alternate care site (ACS) in El Paso to treat outpatient cases of COVID-19.

On November 23, Governor Abbott and DSHS announced the guiding principles for Texas' COVID-19 vaccine allocation process, which will serve as a foundation for the state's initial distribution for COVID-19 vaccines expected as early as next month.

Texas will initially allocate COVID-19 vaccines based on the following criteria:

- Protecting health care workers who fill a critical role in caring for and preserving the lives of COVID-19 patients and maintaining the health care infrastructure for all who need it.
- Protecting frontline workers who are at greater risk of contracting COVID-19 due to the nature of their work providing critical services and preserving the economy.
- Protecting vulnerable populations who are at greater risk of severe disease and death if they contract COVID-19.
- Mitigating health inequities due to factors such as demographics, poverty, insurance status and geography.
- Data-driven allocations using the best available scientific evidence and epidemiology at the time, allowing for flexibility for local conditions.
- Geographic diversity through a balanced approach that considers access in urban and rural communities and in affected ZIP codes.
- Transparency through sharing allocations with the public and seeking public feedback.

On November 19, Governor Abbott traveled to Lubbock to hold a briefing with local officials and provide an update on the distribution of bamlanivimab, the Eli Lilly & Company monoclonal antibody therapy for COVID-19.
